NEARLY 40 MAKE IT TO MONROE FOR FEBRUARY MEETING

Delmonico's did a fine job in making everyone feel like they were well fed again. Club President, Barbara Miller, presided over a nice turnout for the usual good country cooking. The meeting opened with a prayer

from Dot Hunt. Barbara thanked Don Smith for being president over the last two years. Barbara passed around pictures of two Lark parts cars for sale. Ray Downing collected for the 50/50 contest. A motion was made by Chuck Lampman to donate \$175 for trophies for the International Studebaker meet in South Bend. The motion was passed. Barbara welcomed back those who have been ill which included Hobo Bodkin, Buddy Hunt & Brenda Phillips. Passing of Eddie Parks was noted.

Well I think it's pretty special. At least that's what the judges thought when I won-awarded the trophy!

Get out Terry!

My car is better than any of those. I don't know why they waste their time looking at them.

If you have to ask . . .

Looks like it doesn't have the original equipment hose clamps, that's an aftermarket generator . . .

1939 Studebaker Coupe Express owned by Jeff Nix of Stockbridge

The truck is a 1939 Studebaker Coupe Express: Custom built street rod featuring a Street & Performance LT1 / 4L60E. Hand crafted by Terry Taylor of DeQuincy Louisiana. Fresh off the build-up, the Stude made its show debut at the 03 "Horsepower in the Park" two day event at the Olympic Horse park in Georgia where it took a top five pre 1949 award and "Best Hot Rod". This was the only Studebaker at the World of Wheels (at least on the last Sunday of the show).

On this buildup the front clip has been modified from an original flip front to a conventionally opening hood with billet hinges and corvette remote latch. This is the only 1939 Studebaker buildup known to have this kind of set up. The body sits on a modified 1983 S-10 series Chevy truck frame that has been totally rebuilt front to rear with dropped spindles and blocked rear axel.

President's Message:

What a wonderful February Meeting we had at Delmonico's in Monroe. Several Studebakers turned out as the weather was a sunny but cold day. Some of our ailing members were able to join us and enjoy the good food and fellowship. We were glad to welcome back Hobo Bodkin, Brenda Phillips and Buddy Hunt all with their spouses. We still have Several members under the weather: Myrtle Burris (hip problem), Billy Carey (blood pressure), Paula Martin (knee problem), Cindy Lampman hip Surgery) and Ina Greene (hip problems). We all wish them a speedy recovery and hope to see them soon. Plans for the 4th Annual Georgia State Meet are coming along, but we still need volunteers. Everyone should make your Hotel reservations in Hiawassee early. Anyone planning to go to the National should also make plans now as the hotels are filling up fast. I am looking forward to seeing everyone at the March meeting in Loganville. Bring out the Studebakers and have a great Month.

Anniversary:

- 2/10 Billy and Charleen Carey
- 2/18 Ron & Marilyn Sullivan

Eat, drink and enjoy the great southern cooking at Delmonico's restaurant in Monroe site of our January meeting.

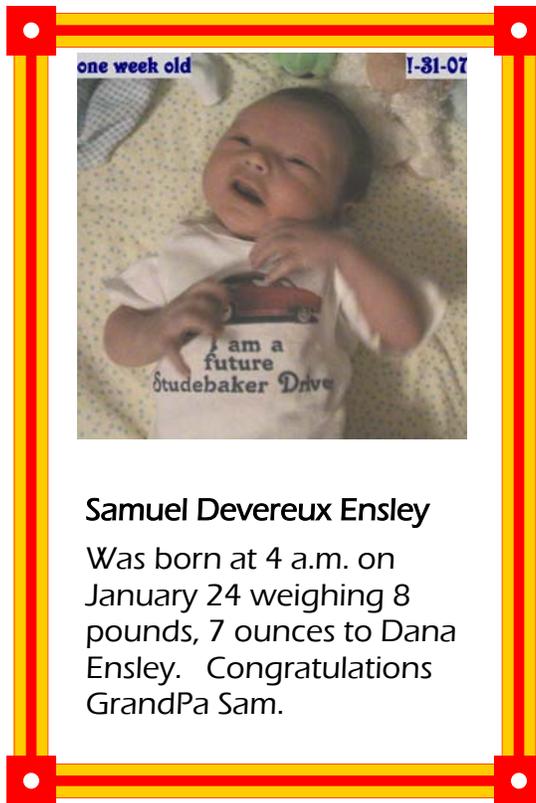

It looks like Carolyn Sikes green and yellow 1955 Speedster stole the show with members gathered around to admire its workmanship and beauty.

Why is Barbara smiling? Why is Don smiling? It's because Barbara is the new president of the club and Don has just finished his 2nd year. Barbara has already shown her leadership and organization skills just in these few weeks. We all look forward to having this veteran of many decades of living with and next to a Studebaker addict, namely, her husband Dan. She has always been there to support the club.
