April 2006

GOOD FOOD, GOOD COMPANY, MUST BE A STUDEBAKER MEETING

Dan and Barbara Miller are old hands at setting the table for their fellow members of the Studebaker club. And April's meeting was no excep-

tion. Their home and land in Auburn, GA is a great setting for

bringing your Stude and showing off, opening the hood and swapping tales. From the looks of things there were some new Studes there that always gets club members excited. Thanks guys!

Never seen such a clean shop, not a drop of oil anywhere.

Brought it in for a tune up in 1997.

You see, you take the spark plug, spray WD40 on it, dip it in baking soda, put it in the microwave, heat for five minutes, take it out, say four hail Marys . . .

So we turned into McDonalds and guess who we saw? Ronald!

President's Message:

A trip to the South Georgia Meet enlightened me in getting a better understanding of what is involved in pulling a State meet off. It's a ton of hard work and my hat goes off to the South Georgia Club for having a successful meet. Now it's our turn. I have contacted the Athens Convention and Visitors Bureau and actually toured some hotels in Athens to see how they could handle our meeting. A career change has put me behind the eight ball on this, but I will try my best, with the help of many of you, to pull this off successfully. In any light, my promise is that we will all have fun, enjoy the facilities and camaraderie, and get to see a lot of beautiful cars.
