VISIT TO THE HUGHES HOME HIGHLIGHTED NOVEMBER MEET

We all know Bob Hughes as our Hillholder photographer, but there is much more to his talents than that. A visit to his home, a treat he and Barbara offered our club after dining

at Lake Arrowhead Country Club, provided a small glimpse at

his talents. His home was graced by drawings and paintings by both him and his talented wife, Barbara. The tile bathroom, tile floors and exquisite mosaics were done by Bob himself, a very gifted and creative man.

Barbara Hughes provided desserts at her home after dinner. Her display of deserts were artfully done challenging the Ritz Carlton's finest offering.

The view from the Hughes' balcony was breathtaking with a panorama of the mountains of north Georgia.

After I finish the layout on the Hillholder, I send it immediately to Maureen Elliott who finds my misspellings and mistakes, cleans it up, and then sends me the corrections. I don't know what I would do without her and I'll bet Tom thinks the same thing.

President's Message:

Letter to Bob & Barbara Hughes:

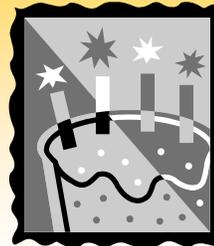

I want to thank Bob & Barbara Hughes for inviting the club for a tour of their beautiful home plus the tasty and luscious soiree of deserts. I heard some wonderful compliments on not only your home but also all the impressive work you personally have done. I will add the same accolades from myself. It is really special to visit someone's home because you seem to get to know them better and see them more personally.

I also want to thank Bob for all the great photography he has done for the newsletter. I knew that the trip to Waleska would be quite a journey for me and Fleming, but I also knew that the Hughes have made the trip several times. I wish my home was as accommodating as theirs for company. Whatever my home is, it certainly does not have that wonderful view. I wish I was having my coffee off their deck (a poor description of that splendid balcony) right now.

David Carlson and Vance Blew Hosting January 8 Meeting in Roswell, GA

Having the event at David and Vance's house will allow for a Rain-or-Shine event now that their home renovation project (nearly two years) is complete. New features include a 20 seat home theater and rather large 9-car garage among other fun updates. For the event, they are offering the use of their auto lift for any member that would like to see what's going on underneath their vehicle and they can do some minor repairs as needed too!
