We are also sending a new club roster to each member. It will arrive shortly after the newsletter as a separate mailing.

**W**hat a wonderful and enjoyable time we all had at the 4<sup>th</sup> Annual Georgia State Meet in Hiawassee. What a beautiful place for a Car Show. I know that at times the heat got to us in the Hospitality Room and at the Banquet, but we still had a good time and good food. The auction went better than we expected and we owe our thanks to Maureen Elliott for the Afghan, Jim Fisher for the Birdhouse and Gordon Sheldon for the Toy Wooden Cars.

I also would like to take this opportunity to thank all the Club Members who donated drinks and food to the Hospitality Room. We could not have had such a successful meet without you. To all the great help that I received in the Hospitality room and out at the Pavilion **MY DEEPEST THANKS** for your hard work. For the Meet and Show, let me especially thank the following: Charleen and Billy Carey, Phyllis and Lenny Major, Jim Fisher, Marsha and Mike Byrd, Dan Miller, Barbara and Bob Hughes, Maureen and Tom Elliott, Sam and Kathy Ensley, Chuck Lampman, Dot and Buddy Hunt, Brenda and Hobo Bodkin, Doris and Bill Cope, Linda and Ray Downing, Rick Kamen, Bob Lytle, Marguerite Smith, Don Smith and Dianne and Crazy Ray Smith. If I have forgotten anyone please accept my apologies.

Check out our club website for some great pictures.

Remember our next chapter meeting (September) is being held at the Tri-State Meet in Asheville the weekend after Labor Day.... see you then.

Barbara A. Miller

\*\*\*AN APOLOGY TO PARTICIPANTS ENTERED IN THE MODIFIED CLASSES\*\*\* We usually use experienced judges who are friends from other marque car clubs to judge the modified classes, since authenticity is not an issue. This time we were fooled- while the local-area judges we were provided were both represented to us as experienced in the body shop and mechanic businesses, they were not known to us, and we did not know their judging skills. They ignored some instructions of the Chief Judge, and their scoring was unnecessarily harsh, but by the time this was realized, it was too late to rejudge these classes. We apologize sincerely; be assured that we will see that this does not happen again.

### STUDEBAKER MEDIA

GA State Meet Photos on CD. Includes pictures of all cars at the event. \$6.50 (including postage) payable to North Georgia SDC c/o Chuck Lampman, or \$7.00 via PayPal to [chuck@lampman.com](mailto:chuck@lampman.com).  
(11/2007)

I finally finished it! This is a 99 page book I've put together based on the articles of the same name that appeared in *Turning Wheels* in the early 1990s and which won the SDC's Churchill Award for Best Article, Non-Paid. The book contains all the material from the original series, which ran for a year and a half in *The Hillholder*, and not only replaces some material edited out for the *TW* series, but has updates and several new items that were written after the *TW* series was published.

"Some Thoughts" is aimed at the first-time restorer, but will be of value to the more experienced; it doesn't try to be a "how to restore a car book", but gives you a look at the decision-making processes, tools, spaces and basic skills you'll need to do a restoration, and will provide a framework to help you structure your project.

There are several chapters of Studebaker-specific advice. In the chapter devoted to engine rebuilding, I've tried to describe a step-by-step process that anybody can follow, and included tips I've picked up in building 60+ engines. I've received many compliments on the engine chapter, and I'm glad to finally be able to get it in print.

The book is priced at \$22.50, plus \$4.00 for packaging and postage. It is also available at [chuck@lampman.com](mailto:chuck@lampman.com), but without the PayPal option for now. (10/2007)
