OLD FASHIONED BARBEQUE AT THE HOLLIER'S HIT THE SPOT

Ruby Lee (AKA Arlene Hollier) put on a fabulous barbeque at the Hollier's home for the October meeting. And right next to the buffet was John's impressive four-car garage

housing his project GT Hawk plus his Jaguar convertible, Corvette, etc. For the

official meeting all moved inside, The Hollier's rec room has a nifty, well-stocked bar and Brunswick pool table. Arlene's catering business has taken off. She has promised to cater one of our upcoming meetings. Yum.

Our October meeting was hosted by John and Arlene Hollier at their beautiful home.

The Hollier's home is pretty enough, but a four-car garage makes it better.

Who else but the host wins the 50/50?!

Nice garage John.

Pool table, bar, disgusting!

November meeting will be at Lake Arrowhead in Waleska, GA hosted by Bob & Barbara Hughes

The Hughes have a great day planned. Bob has placed an article in the Arrowhead newspaper to let the residents know there will be a flock of vintage Studes in the Club parking lot starting at 1:30 P. M. Lunch is planned for 2:30 in the Clubhouse dining room and we can have our business meeting after lunch.

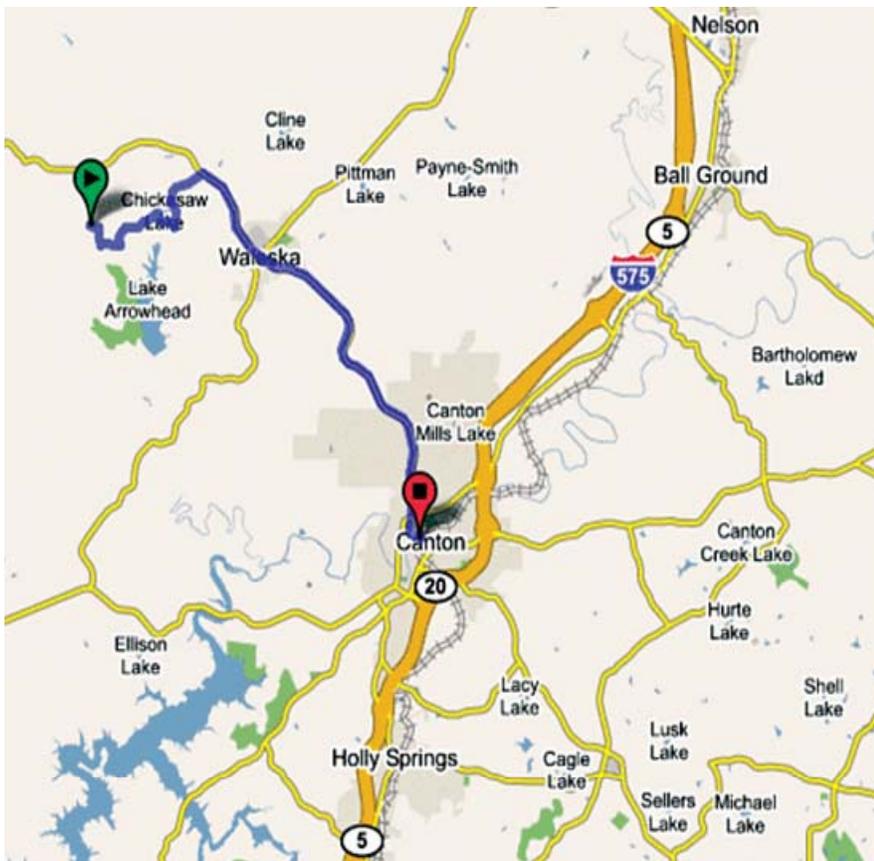

I'm sure there will be people asking questions about the cars in the parking lot after the meeting. Then we hope to form a convoy and drive to Bob & Barbara's home on Indian Oak Drive for coffee and deserts. The lunch

will be buffet style with a complementary Champaign Mimosa for \$9.95. The chef would like to know how many to prepare for, so call the Hughes at 770 479 1723 would be helpful. If Bob has your names in advance, he can alert the guards so passes will be ready.

NOTE:

All meetings are scheduled for 2 p.m., but most arrive around 1:30 p.m. to visit chat and inspect the Studebakers members bring to the meeting.

From I-75 Take I-75 to I-575 north past Marietta and Woodstock to Exit 16 (Canton Exit.) At the end of the ramp turn left over the freeway to Highway 5 (Shell gas station and Williams Barbeque). Turn right, go past Cherokee High School to the intersection of Hwys 5 and 140; turn left on 140. Go past Waleska approx 3 miles to Little Refuge Rd- you'll see the Lake Arrowhead sign. Turn left on Little Refuge Rd., go approx. 1 mile to Lake Arrowhead entrance. The guards will know about the meeting, and will direct you to the clubhouse.

The younger people will be the future of Studebaker.

What is needed is to keep it Studebaker. How many Fords are out there with Chevy engines... use this subframe... buy a nice pickup and use the cab and throw the rest away. How many good Stude V8's have been scrapped to put a %@!*&^ engine in? Studebaker is one of the few that hasn't been chopped, swapped and dropped into a franken car as badly as some of the other makes. There is a big difference between upgrade and butcher. *From the web.*

Raymond Loewy designed Studebakers and more, his name is honored throughout the design world

(From www.raymondloewy.org) Life Magazine recently selected Loewy as one of the 100 most influential Americans of the twentieth century. Loewy is best known for such American design icons as the Coca Cola bottle, Air Force One, Lucky Strike, Greyhound Bus, Pennsylvania S-1 Locomotive, Exxon and Shell logos, NASA interiors for Sky Lab and the Space Shuttle along with the Avanti, the only automobile to be exhibited in the Louvre.

Some of the better known companies who sought his influence included Revlon, Faberge, Vogue, Harpers Bazaar, Hanes, Levis, Butterick, Bulova, Omega, Mont Blanc, Seth Thomas, Rosenthal, Wyeth Furniture, Frigidaire, Formica, Koehler, IBM, Saks Fifth Avenue, Macy's, Thalhimers, Bloomingdales's, Ford, GM, Chrysler, Studebaker, BMW and Jaguar.

Different by Design

We are on the web:

President's Message:

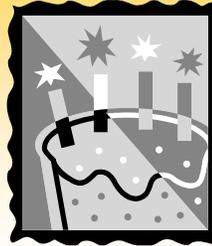

This is a special issue in that we introduce our new club logo and badge design. The members voted unanimously at the October meeting to accept the new design and make it our permanent logo. A very special thanks goes out to Laurence Loewy for taking her time and talents to give us this new look. Based on the new Georgia State flag, she has given us a simple but artful design. I am also glad to see that so many members have already ordered new badges. As of this issue we have had 32 badges ordered by members. What is impressive about this is that many of the members who have ordered badges rarely attend the meetings. We will have a second order placed as more members find out about the badges, especially when so many start showing up with the new, professionally printed magnet badges. We are selling them for \$5 (which is below cost to encourage all to order). New members will pay \$10 above their registration fee as a one-time charge.

DESIGN CONTEST FOR NORTH GEORGIA SDC BADGE HAS A WINNER: IT'S LAURENCE LOEWY!

NORTH GEORGIA

STUDEBAKERS DRIVERS CLUB INC.

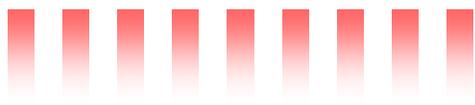

Using the new Georgia State flag as a template, Laurence Loewy, owner of Loewy Designs, Atlanta, has graciously loaned her talents to design our new club logo and badge. All members want to thank Laurence for giving us a much needed and quality design. We hope to have her speak in the near future about her career and famous father.
