## Editor Commentary

August is always a great month for our club because it's when we get together for our annual club picnic. Once again, Billy and Charleen Carey have volunteered to organize that event. We thank them for stepping up to the plate (pun intended) again this year. Details are provided on page 7 of this Hillholder. **Please arrive by 1:30** so that we can be ready to sit down and eat at 2:00.

A tip of the hat also goes out to Jerry and Debi Forrester for hosting the June meeting at their home. Long-time club member Alan Ziglin tells me that it was once more common to host our meetings at a private home, so thanks Jerry and Debi for reviving an old practice for our enjoyment.

Check the bottom of this page for Hellen Attaway's recipe for chocolate pound cake. Hellen baked three cakes, each a different flavor, and donated them as door prizes at the July meeting. Thank you, Hellen, for the wonderful cakes as well as for this recipe and others that will be forthcoming in future issues of this newsletter.

I'd also like to take a moment to thank my wife, Guadalupe Taylor, for submitting articles for both the May and the July issues of the Hillholder. I have received many positive comments from the membership about those articles. I'm guessing that we haven't seen the last one from her yet either. We'll see. I encourage any of you to follow suit and submit your own article or information that you'd like to share with the other members.

Hope to see you at the picnic!

-Tim Taylor-

| ½ teaspoon baking powder | 3 cups granulated sugar | ½ cup cocoa        |
| 5 eggs                   | 1 ¼ cups milk           | 3 cups plain flour |
|                          |                         | 1 teaspoon vanilla |

Cream butter with shortening and sugar; add eggs one at a time, beating after each addition. Sift together dry ingredients; add alternately with milk to creamed mixture. Add vanilla.

Bake at 325 degrees for 1 hour and 30 minutes in tube pan.\*\*\* Cool 10 minutes and remove from pan to wire rack to finish cooling.

\*\*\* Our oven cooks the cake in 1 hour and 15 minutes.

Enjoy!

Thanks to Alan Ziglin for this very interesting historical item used for marketing Studebakers:

I enjoyed reading Guadalupe's article in the June Hillholder. It got me thinking about advertising/promotional items I have of the Studebaker Corporation and its dealerships. One piece I am particularly fond of is dated September, 1929. It is a cardboard cutout of a man scowling and holding a sign in front of him saying, "NO NEW THRILLS IN MOTORING" You then pull down a tab at the bottom and his scowl turns into a smile and the sign he is holding changes to say, "THEN HE BOUGHT A STUDEBAKER." On the reverse side it gives the prices of some of the current models and lists the name and address of the dealer who provided this item to prospective buyers. To me, this is a unique and interesting piece. One point that impresses me is that in promoting the dealer it does NOT provide a phone number. I assume this speaks the how rare telephone service was at this point in history. Perhaps the dealership had a phone but maybe not many potential buyers did not...but that is just my guess.

-Alan Ziglin-6

## SOME THOUGHTS ON RESTORING A STUDEBAKER

Written by Chuck Lampman, this 99-page book is based on articles written by Chuck Lampman, North Georgia Chapter SDC member, that appeared in *Turning Wheels* in the early 1990's and won the SDC Churchill Award for Best Article, Non-paid. Some material edited out of *Turning Wheels* is included in the book as well as updates and several new items written after the *Turning Wheels* series was published. "Some Thoughts" is aimed at the first time restorer but will be of value to the more experienced. It is not intended to be a "how to restore" book but gives a look at the decision-making processes, tools, spaces, and basic skills needed to do a restoration. It also provides a framework to help structure a project and contains several chapters of Studebaker-specific advice.

Cost for the book shipped to continental US addresses is \$22.50 plus \$4.00 for handling and postage. Payment can be

made through PayPal sent to [chuck@lampman.com](mailto:chuck@lampman.com) or by mailing a check or money order to Chuck Lampman, 4141 Lynette Court, Kennesaw GA 30144-2293.

Contact Chuck Lampman directly for purchases outside the continental U.S.

1955 "E" series pickup street rod. The truck has a 1978 Oldsmobile front clip on it, a 305 GM V8 coupled to a turbo 350 Trans. It has a Dana 44 rear end that is really a good match for the turbo 350 (good highway cruising). It has power disc brakes on the front and power steering (both GM); we have repainted it, re-upholstered it and put all new radials and Cragar rally wheels on it. Call Allan Dias at 407-585-3200 or email to <mailto:atd@wiginton.net> for details. (Cosby TN)
