## Editor Commentary

November is election month. Are you happy with the choices we have? If so, then you really haven't been paying attention. (Ha!) I'm not sure whether to laugh or cry, but since laughing sounds healthier, maybe that's what we should do. And below is a little more fuel for your laughter:

- *I'm reading a book about anti-gravity. I just can't put it down.*
- *When chemists die, they barium.*
- *Jokes about German sausage are the wurst.*
- *I know a guy who's addicted to brake fluid, but he says he can stop any time.*
- *How does Moses make his tea? Hebrews it.*
- *I stayed up all night to see where the sun went. Then it dawned on me.*
- *Why were the Indians here first? They had reservations.*
- *A class of youngsters is going to visit the Coca-Cola museum. The kids hope there's not going to be a pop quiz.*
- *The Energizer bunny was arrested and charged with battery.*
- *Did you hear about the cross-eyed teacher who lost her job because she couldn't control her pupils?*
- *Broken pencils are pointless.*
- *Did you know about the dinosaur with an extensive vocabulary? It was called a thesaurus.*
- *England has no kidney bank, but it does have a Liverpool.*
- *I used to be a banker, but then I lost interest.*
- *Velcro is a rip-off.*
- *I used to think I was indecisive, but now I'm not so sure.*
- *I have never been wrong. I thought I was wrong once but I was mistaken about that.*

**Happy Thanksgiving everyone from Guadalupe and Tim Taylor.**

## SOME THOUGHTS ON RESTORING A STUDEBAKER

Written by Chuck Lampman, this 99-page book is based on articles written by Chuck Lampman, North Georgia Chapter SDC member, that appeared in *Turning Wheels* in the early 1990's and won the SDC Churchill Award for Best Article, Non-paid. Some material edited out of *Turning Wheels* is included in the book as well as updates and several new items written after the *Turning Wheels* series was published. "Some Thoughts" is aimed at the first time restorer but will be of value to the more experienced. It is not intended to be a "how to restore" book but gives a look at the decision-making processes, tools, spaces, and basic skills needed to do a restoration. It also provides a framework to help structure a project and contains several chapters of Studebaker-specific advice.

Cost for the book shipped to continental US addresses is \$22.50 plus \$4.00 for handling and postage. Payment can be

made through PayPal sent to [chuck@lampman.com](mailto:chuck@lampman.com) or by mailing a check or money order to Chuck Lampman, 4141 Lynette Court, Kennesaw GA 30144-2293.

Contact Chuck Lampman directly for purchases outside the continental U.S.

1955 "E" series pickup street rod. The truck has a 1978 Oldsmobile front clip on it, a 305 GM V8 coupled to a turbo 350 Trans. It has a Dana 44 rear end that is really a good match for the turbo 350 (good highway cruising). It has power disc brakes on the front and power steering (both GM); we have repainted it, re-upholstered it and put all new radials and Cragar rally wheels on it. Call Allan Dias at 407-585-3200 or email to <mailto:atd@wiginton.net> for details. (Cosby TN)
