President's Message

November 9, 2010

Our thanks go to John and Arlene Hollier for making the arrangements at Rooster's Café in Cumming, for our November chapter meeting. We had our own private room and the food and service were great. Also thanks to all who attended.

At this time I want to express my appreciation to the chapter membership for their support during the last two years that I have been President. It has been a privilege to serve. As I have always said, it is the support and dedication of the membership as a whole that makes the chapter successful...not just one individual. With the election of new officers at our December meeting, there's no doubt the incoming officers will continue to steer our chapter in the same positive direction as in the past 40+ years.

Something I would like to do is occasionally hold small technical seminars at the chapter meetings (weather permitting). The last one I held was at the July meet in Cartersville. It was regarding the vapor lock issues we have with today's gasoline in our Studebakers and the methods to eliminate it. Look for upcoming new topics.

Also at this time, after 25 years, give or take a few, I am resigning my position as Regional Manager. I have spoken with Wayne Lee, our Southeast Zone Coordinator, and he will make the necessary arrangements. John Hollier has graciously agreed to accept the nomination for this important link in the SDC chain of command. It's been fun.

Studebakerly,

Dan Miller

Meeting Minutes

November 7, 2010

- President Dan Miller opened the meeting. Thank you to John and Arlene Hollier for hosting us this afternoon at Rooster's Café.
- We welcomed our visitors and guests, and announced birthdays, anniversaries, and those we need to keep in our thoughts and prayers. New member Gregory Krümm was here with his recently-acquired 1951 2R5 pickup. Welcome!
- Dan said that by all the comments he and Barbara have received, the Southeast Zone Meet was a great success. While some past regional meets have had greater attendance, this year's turnout was more than respectable; especially considering the number of meets taking place during that time of year, and recognizing the state of the economy. In addition, Dan and Barbara thanked all those members who volunteered in every area of the meet.
- We still have approximately 40 meet t-shirts available for sale, at a bargain price of \$6.00. Most are sizes medium and extra-large, with a few 2XL and 3XL. See Barbara if you would like one. We also have some leftover dash plaques; those will be on sale for \$1.00 each at the next meeting.
- Please note that we will be collecting 2011 dues at the next meeting, and they must be given to Bill Delli by December 31st. And as a reminder, SDC National By-Laws require that you be a member of the national organization in order to be a local chapter member.
- 2011 Chapter Officers: Dan has completed his maximum two consecutive annual terms as President, and Tom Elliott has done likewise as Vice President. For 2011, Alan Ziglin has agreed to run for President, and Ben Alspach has agreed to run as Vice President. Chris Collins and Charlotte Delli have agreed to run again as Secretary and Treasurer, respectively.

Nominations for all four offices will remain open until the next meeting on December 5th. At that time, we will announce these and any subsequent nominations, then close the nominations and conduct the officer election. Duties of all these positions are outlined in the chapter By-Laws, as printed in the February 2010 *Hillholder* issue. Contact Chris if you do not have a copy.

- Regional Manager: Dan has held this post for 25 years, and it is time for someone else to provide this support role. We need a volunteer by November 20th, so we can let the SDC know we have a new person ready to begin on April 15.

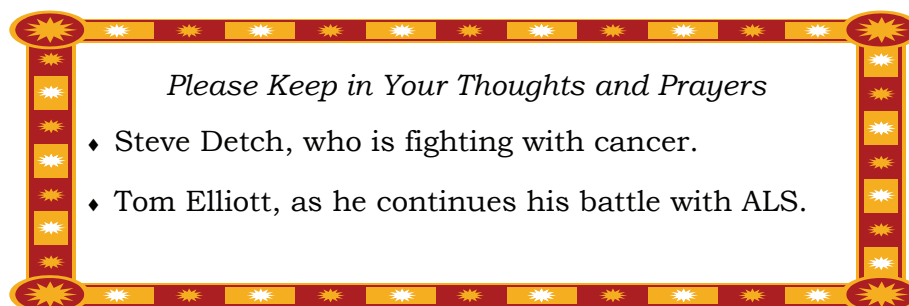

From *Inside Facts*, the official SDC handbook: A Regional Manager is responsible for the administration of SDC matters within a geographical area known as a Region (the state of Georgia in our case) and serves as liaison between the chapters in that Region. Duties of the Regional Manager shall include:

1. Serve as local SDC point of contact for members in the Region who are not members of a chapter.
2. Maintain a current list of chapters active and forming in the Region, and assist in the formation of new chapters.

(continued next page)

3. Assist chapters in following up on new or lapsed SDC members in their area.
 4. Maintain a small supply of recruiting material for distribution among chapters and members of the Region.
 5. Encourage chapters to hold meetings and publish newsletters.
 6. Publish a Regional newsletter when feasible, or submit regional reports to chapter newsletters in the Region.
 7. Handle any Regional problems by evaluating each before requesting Zone Coordinator help.
 8. Assist the Zone Coordinator as required.
 9. Distribute quarterly listings of new and lapsed members in their Region to chapters to facilitate follow-up action.
- Ed Burris circulated a photo of the postwar woody wagon prototype which is now in restoration. The SDC Board and the Judging Committee are working on a proposal to create a new judging division to recognize “survivor” vehicles: those in substantially original, unrestored condition, except for certain maintenance items. We will let you know as this develops. Sustaining membership levels continues to be an area of focus: in the last quarter, the Southeast Zone had 20 new memberships and 54 expirations. The SDC sustained a loss of \$16,480 on the International Meet in Arizona. Primary contributors were the hotel room sales guarantees, and the costs for judging and the awards banquet that exceeded the fees received.
 - Wayne Lee reported that the Florida State Meet had 90 registrations, 65 cars on display, and 135 attending the banquet. The 2011 Southeast Zone Meet will be March 18-19 in Tifton, Georgia. Mark your calendars!
 - Charlotte Delli presented the Treasurer’s report; a copy of that will also be in the newsletter. Members present voted unanimously to round the ALS contribution from the Zone Meet receipts up to \$2,000 from \$1,947.
 - Pete McCaffrey won the 50/50 drawing, splitting the \$45 pot with the chapter.
 - The December meeting is our Christmas party, and this year’s location is the Winder Women’s Club. Map and directions will be in *The Hillholder*. As we did last year, in lieu of a gift exchange, we will collect voluntary donations to the ALS Association of Georgia.

There being no further business, the meeting was adjourned. See you next month at the Christmas Party!

The Mailbox

Hi Chris....

On Saturday at St. Alban's Episcopal Church in Monroe we had four Studebaker entries at the Chili Cook-off and Car Show. Governor-elect Nathan Deal and his wife were in attendance and presented the awards. We had a very nice showing and appreciated the participation of our chapter members. Just wanted to mention in the newsletter how much they added to the show. It was rewarding to listen to families, especially fathers and sons, review the history & wonderful comments about how Studebaker affected their growing up. As a bystander, I was really taken back watching the young people take a liking to the character and styling of the cars. It was a wonderful time.

Brenda Bodkin

Wayne Lee learned of this Studebaker for sale in Australia. This must be the only right hand drive, super-charged Wagonaire around. No price was stated; I have the seller's contact information if anyone wants to pursue this. **Chris**

FOR SALE:

CARS AND TRUCKS

(Revised listings) 1935 Dictator Deluxe four door sedan. Includes the different upholstery, the special built Emerson radio (working) and the footrest at the bottom of the front seat for rear seat passenger's use. This car is original, not restored. Original paint, except perhaps the front fenders which may have had a repaint a long time ago. The fabric top has been replaced. Mechanically I have rebuilt the carb, new brake master with new brake shoes, exhaust repaired as necessary. The car has only the mechanical parts repaired or replaced to make the car a safe driver. It has its original engine/trans. Please come and see this car if you can. \$19,500.

1935 Dictator converted to a sedan delivery (panel truck). Cool street rod. Chrysler 318, "warmed up" cam and pistons. All engine work and assembly done by Tommy Goza. Rebuilt 904 automatic trans. First time offered for \$54,900 or reasonable offer.

This one runs and drives great with PS, 4 wheel disc PB and other performance items.

For these vehicles, please contact Steve Detch sadetch@comcast.net (678) 481-4492. (2/2011)

The carpets have been damaged by rats and need replacing. I had it tuned up last year, and it runs like a scalded dog. Transmission is solid. Good bias tires. I have bought a Thunderbird and plan to sell the Avanti. I thought I would let club members know before I advertise it. \$15,000. George Warren, Madison, Georgia. 706.342.9088 (12/2010)

STUDEBAKER MEDIA

This is a 99 page book based on the articles of the same name that appeared in *Turning Wheels* in the early 1990s and which won the SDC's Churchill Award for Best Article, Non-Paid. The book contains all the material from the original series, which ran for a year and a half in *The Hillholder*, and not only replaces some material edited out for the *TW* series, but has updates and several new items that were written after the *TW* series was published.

"Some Thoughts" is aimed at the first-time restorer, but will be of value to the more experienced; it doesn't try to be a "how to restore a car book", but gives you a look at the decision-making processes, tools, spaces and basic skills you'll need to do a restoration, and will provide a framework to help you structure your project.

There are several chapters of Studebaker-specific advice. In the chapter devoted to engine rebuilding, I've tried to describe a step-by-step process that anybody can follow, and I've tried to include tips I've picked up in building 60+ engines. I've received many compliments on the engine chapter, and I'm glad to finally be able to get it in print.

Some Thoughts on Restoring a Studebaker is available for \$22.50 USD, plus \$4 for handling and postage, for a total of \$26.50 to US addresses. Canadian orders add \$6.50 USD for postage, total \$29.00 USD. To order a second book in the same order, add an additional \$3 (\$4 USD for Canadian orders). For Australia and Europe, shipping is \$12, total \$34.50 USD paid by PayPal only.

The easiest way to purchase (and the only way if you are in Australia or Europe) is to PayPal the appropriate amount to me at chuck@lampman.com, and mention *Some Thoughts* in the remarks section. Otherwise, if you live in the US or Canada, send your name, mailing address and a check or USPS money order for \$26.50 (\$29.00 USD bank draft for Canadian buyers) to:

Chuck Lampman
4141 Lynette Ct.
Kennesaw, GA. 30144-2293

If mailing payment, please email me to notify me that the check is coming so I can set one aside for you, or get some more printed. (I try not to keep too big an inventory because they are expensive to stock.) (1/2011)
