President's Message

The holidays are here again and it seems like we just finished them. The older I get the quicker the years go by. Helen and I would like to wish everyone a very happy holiday season.

I haven't done anything on the old Studebaker lately, but I do have a question for those of you who haven't replaced the valves and seats on your cars. I had a good sized bottle of lead substitute gas additive for about 10 years. I used the last of it this fall and when I tried to replace it I could not find another. Please let me know at the next meeting what you are doing for lead replacement.

The next meeting is the Christmas Party and election of officers. I'd like to remind everyone that this is their chance to volunteer to be President, particularly if they have a loud projecting voice.

-Loren Nelson-

Editor Commentary

December marks the 24th month that I have been performing the role of Hillholder editor, with significant assistance from my patient wife, Guadalupe. A funny thing happened recently: I received a note from a long-time member of the North Georgia SDC indicating that another member doesn't have the current club roster. My first thought was, "Why am I being told about this since I am the Hillholder editor not the Membership Secretary?" Then it occurred to me that I always perform the role of broadcasting messages to the membership; I am the keeper of the email list. So it's perfectly logical that when our Membership Secretary publishes a new version of the roster, I should be the one to send it out to everyone, just as I do the Hillholder each month. But only now, nearly two years into this role, did I reach that realization. So thanks everyone for your patience. I know that Jim Carto will be publishing a newly revised one in a few months, but in the meantime you should now have the current (October 1, 2017) roster. Better late than never, eh? Happy holidays to all of you from Guadalupe and me.

-Tim Taylor-

SOME THOUGHTS ON RESTORING A STUDEBAKER

Written by Chuck Lampman, this 99-page book is based on articles written by Chuck Lampman, North Georgia Chapter SDC member, that appeared in *Turning Wheels* in the early 1990's and won the SDC Churchill Award for Best Article, Non-paid. Some material edited out of *Turning Wheels* is included

in the book as well as updates and several new items written after the *Turning Wheels* series was published. It is not intended to be a "how to restore" book but gives a look at the decision-making processes, tools, spaces, and basic skills needed to do a restoration. It also provides a framework to help structure a project and contains several chapters of Studebaker-specific advice.

Cost for the book shipped to continental US addresses is \$22.50 plus \$4.00 for handling and postage. Payment can be made through PayPal sent to chuck@lampman.com or by mailing a check or money order to Chuck Lampman, 4141 Lynette Court, Kennesaw GA 30144-2293.

Next Generation of Studebaker Drivers

As you know, September 9, 2017 was International Drive Your Studebaker Day and our North Georgia Chapter held its meeting that day. Rochelle and Alan Ziglin planned to attend driving Bullet, their 1951 Commander Starlight Coupe. However, their younger son Eric and his wife Jenny surprised them by bringing their two grand kids, Mason and Bailey, to Atlanta from New Orleans (1,000 mile round trip). So even though they missed our meeting, they did go for a ride in Bullet with their kids and grandkids. The grandkids are wearing the adults' "Drive Your Studebaker" shirts that Charleen and Billy Carey had made for the Chapter several years ago. At the time this picture was taken, Mason was almost 3 and Bailey was 21 months old.

Thanks, Rochelle and Alan, for sharing your "Drive Your Studebaker Day" activity with us.
