## President's Message

I haven't had time to work on the Studebaker this month. We visited Hannah and Eli, our 9-year-old twin grandkids in Denver. They had some time off from school, and we were able to take them to a trampoline place to jump off some energy and to a pumpkin patch for rides, petting zoo, junk food, pumpkins and face painting. We also visited Rocky Mountain National Park, which is only about a half hour from their house. We went to the usual soccer and softball games of the local grandkids when we were in GA.

I was planning to take the Studebaker to the up-coming Tuesday Cruise-In at the Varsity in Dawsonville, but the forecast is for rain. Hopefully the rain will be gone for the 50th Annual Mountain Moonshine Festival Oct. 27th to the 29th in Dawsonville. I have taken the Studebaker to that show for the past few years. I will probably go there on Sunday if the weather is good. It is a large car show and festival that goes for 3 days. The cruise-in cars are shown around the Georgia Racing Hall of Fame. They have had excellent weather every year I have attended. They have a lot of cars, mostly Fords, in town around the court house and in the street. There were a couple Studebakers besides mine there last year. If some of you North Georgia Chapter members would like to come, we could have a Studebaker group show, if you don't mind parking near my ratty car. You can take your car for the whole weekend if you want to. It is a fundraiser for a kids' charity. If you go for the whole show or Saturday it is \$40 , \$30 if you pre-register. It is \$10 for Sunday.

*-Loren Nelson-*

To the left is a photo of Hellen and Charlie Attaway, taken at the Cars of the Past Show in Covington on October 1, 2017. The photo appeared on the front page of the Newton Citizen Newspaper. The 1951 Studebaker pedal car is a true antique and is not a reproduction. The Attaways spent months restoring the pedal car, and its paint color is "black cherry" just like their full-size '51 Starlight Coupe. Hellen made the interior for the pedal car, which matches the interior in the coupe.

Charlie and Hellen hope to bring both cars to the December club meeting in Winder. We certainly hope to see them and the two cars!

## Day of the Dead - November 1 and 2

*El Día de Muertos* (Day of the Dead) is a Mexican festivity that has been celebrated for centuries. In the fifteenth century when the Spaniards invaded Mexico, they imposed their beliefs about life and death on the diverse American people currently living in Latin America. The *Mexicas*, one of the many ethnic groups of Mexico, were not afraid of dying. Nor they did believe in heaven or hell. Mesoamerican cultures honor their deceased by preparing altars with flowers, seeds, candles, incense, food and drinks, and objects precious to the deceased. For them, the way you died was more important than the way you lived. They believed in an after-life, but not in the Christian way.
