## From Bill Startt President's Message

To our chapter members and their immediate families – Please stay safe over the upcoming holidays and health-wise, be sure and get all your Covid shots and boosters!

For next year, our chapter will be facing a transitioning period. Some of our volunteer officers and chairpersons, who have served for a few years and/or in multiple capacities, will be resigning. As President, I will be requesting others to step up and assist our chapter in keeping all members informed and active; also to promote our chapter activities to others. Joe Flannery and I will continue serving as VP and President, respectively. Terry Ziemer has agreed to serve as Membership Chairperson, while enlisting a replacement. We will be considering replacements and new goals at our December meeting.

Bill Startt  
President, N. GA SDC Chapter

**SDC - North GA Chapter – Meeting Minutes from August 7, 2022**

Williamson Brothers BBQ Restaurant, Marietta, GA

Hosts: Tim &amp; Guadalupe Taylor

Reported by Recording Secretary Joe Flannery

Our August 7, 2022, N. GA Chapter meeting was called to order by president Bill Startt at 3:05 PM at Williamson Brothers BBQ in Marietta, GA. Attending were 19 members and two guests of Pete McCaffrey.

Five Studebakers were driven to the venue:

- Wayne and Ann Lee's 1948 C-cab pick-up Street Rod
- Alan Ziglin's 1951 Starlight Coupe
- Bill Startt's 1964 GT Hawk
- Pete McCaffrey's 1963 GT Hawk (longest distance for the meeting)
- Joe Flannery's 1963 Lark

**Health concerns and Condolences:** Dot Hunt is suffering from serious, life-threatening illness. Prayers were requested.

**Treasurer's Report by Wayne Ziemer:**

- Currently the club has \$4787.73 in the treasury. The club will be sending \$100 in support of the 2022 SE Zone Meet to be held on Sept. 23-25 in Gainesville FL. Our SE Zone Meet will be hosted by the North Central Florida Chapter. Their internet address for the meet is [www.floridaavanti.com](http://www.floridaavanti.com). President Bill asked that anyone planning to attend please provide pictures and an account of the meet for the next chapter newsletter.

**Membership Report by Terry Ziemer:**

- Terry reported that there are two new national-level SDC members from Georgia, as reported in Turning Wheels and provided by Cornerstone Registration. Those new SDC members are Geoffrey Damewood from Villa Rica and Hal Cash from Waco GA. Per our usual procedure, Terry has emailed these individuals and invited them to join our North Georgia chapter. At this time, all of our members have paid their dues for 2022.

**October Meeting and Pot-Luck:**

- Our chapter fall picnic will be hosted by Bill and Charlene Carey. The pot-luck picnic will not be at the prior location in Fort Yargo State Park, but rather at their church. Fort Yargo is undergoing extensive renovations by the state. Our picnic meeting will be held at the Bethlehem First United Methodist C Church in Bethlehem, GA. Details to follow in the newsletter. [See page 8.]
- Alan Ziglin suggesting that since we only meet 6 times a year, it would be nice if our two big meetings (picnic and holiday party) were not back-to-back. With that in mind, a motion was made that starting in 2024, we should move our picnic meeting back to August each year. The motion carried.

**Future Central Meeting Location**

- The idea of a central meeting location was brought up again for further discussion and a final vote. It has been suggested in previous meetings to decide on a central meeting location. President Bill asked our officers for any input received by them, pro or con. None was forthcoming. A vote was held, as to whether a central meeting place should be used for future meetings and where it should be. The idea was unanimously voted down, primarily due to travel inconveniences for members. Also, our north Georgia territory is too big for one location and moving the meetings around makes it easier for more people to attend. A central place may be convenient for some members, but overall it is not practical. President Bill suggested that possibly a Zoom meeting could be held sometime in the future to bridge the gap between bimonthly meetings.

North Georgia Chapter SDC Meeting Minutes, continued

New Business:

- One item of new business is to attract new member volunteers for calendar year 2023. Terry Ziemer and Ann Lee have abdicated their positions after this year. The club desperately needs new people to fill the positions.
- Barbara Lofton asked if there was a map of Georgia showing where our members reside. Terry Ziemer was quickly able to provide such a map.
- President Bill suggested some sort of a memorial for our deceased chapter members and spouses. He suggested a donation to a charity in the member's name or to their family church, possibly in the amount of \$30. The floor was opened for any ideas or suggestions. Alan Ziglin moved that we adopt this new policy but raise the amount of the donation to \$50. Motion carried. Alan also pointed out that the club is limited in its treasury and that currently the chapter's only source of income is the \$10 membership dues and the 50/50 held at our meeting.
- No report was available regarding the Facebook site for the chapter. Rick Kamen was not available to provide a report.
- President Bill requested members to contribute to the newsletter with articles and photos and suggested a theme " My History with Studebaker." Please send your contributions to Tim Taylor for the newsletter.

The meeting ended with a drawing for door prizes. There was no 50/50 drawing.

President Bill ended the meeting at 3:58 PM.

Respectfully submitted,  
Joe Flannery, VP and Recording Secretary

## North Georgia Chapter SDC October Meeting

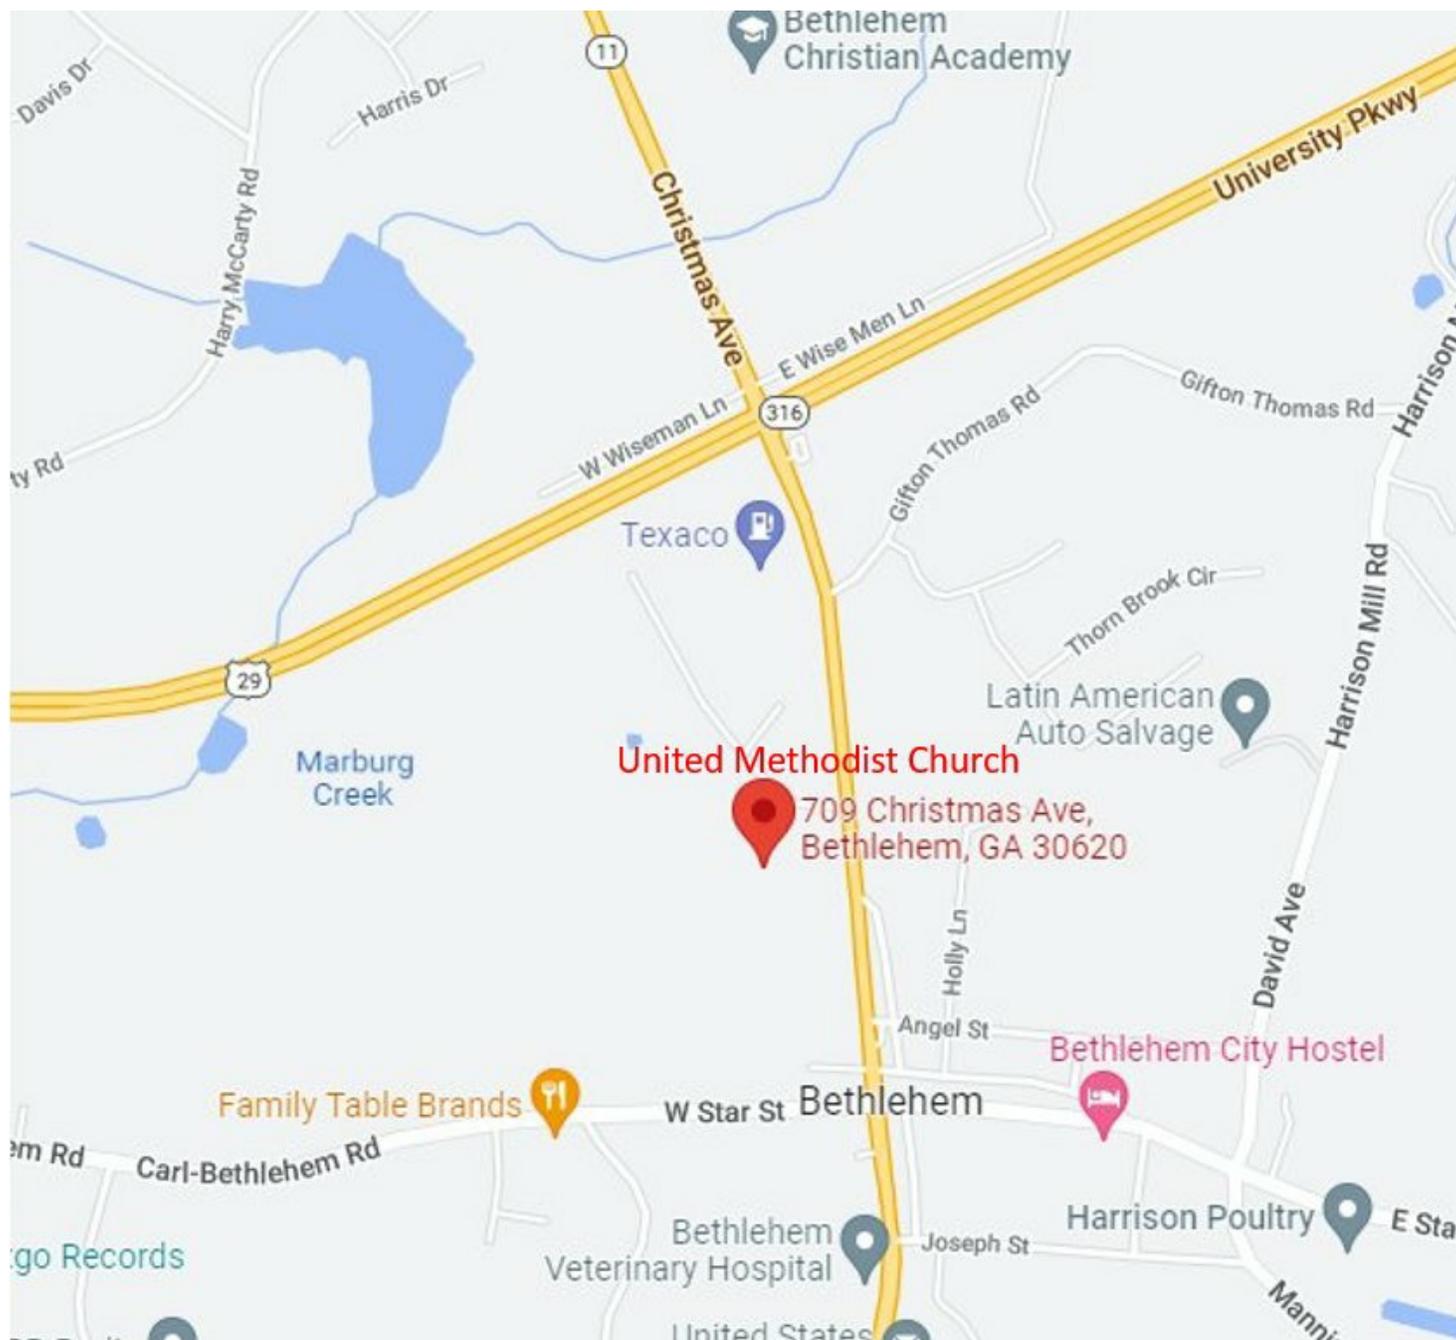

The October 2022 meeting of the North Georgia SDC will take place at the Bethlehem United Methodist Church in Bethlehem, GA.

Date: Sunday, October 2, 2022 Time: 2:00

Address: 709 Christmas Ave, Bethlehem, GA 30620. Phone: 770-867-3727

Hosts: Billy & Charleen Carey. Phone: 770-867-7186

**Bring your favorite dish for an old-fashioned pitch-in meal. (Can be meat, vegetable, casserole, salad, dessert, or drinks. Call Charleen if you need help deciding.) Plates, cups, utensils, iced tea and napkins will be provided.**

## “Bullet” Surprises

By Alan Ziglin

I hope everyone else had an uneventful drive home from our chapter’s August meeting. As I headed home, I had no idea I was about to get three surprises. I had originally planned to go home via Interstates 75 and 285. However, at the last minute I decided to go by surface streets. That turned out to be a very good idea. About halfway home, I stopped at a stop sign. As I accelerated to go forward it sounded and felt like the transmission was about to die or I had a flat tire. As you can see from the picture, I had a “very” flat tire. That was surprise Number 1.

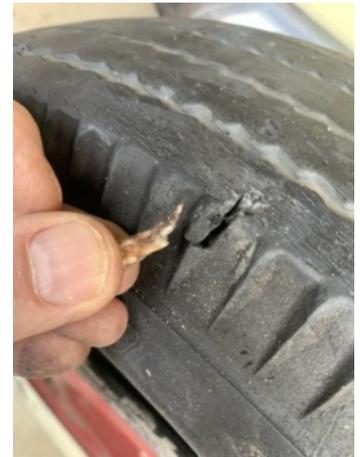

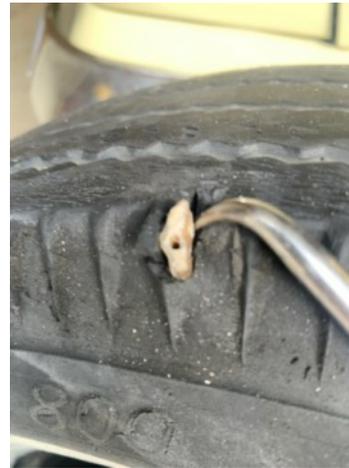

Although it was very hot, I got the jack out, put the spare tire on and headed home. After arriving at home, I inspected the tire and found that regardless of what was embedded in the tire (see picture), both rear tires were ready to be replaced. That was surprise Number 2.

On Monday, since the two front tires had plenty of tread left, I called to order two tires of the same make and white wall width. Unfortunately, like so

many other items in our country that are not available due to “supply chain” issues, the tires I needed were among them.

Some sources had no tires in the size I needed regardless of black wall or white wall or width of white wall. What I had been using was a set of US Royal wide whitewall tires. When I finally found a source that had the right size in a BF Goodrich tire with a slightly different width whitewall, I had to buy four instead of two in order to assure the whitewall widths all matched. That was surprise Number 3.

A couple lessons learned from this experience:

- Always have a serviceable spare tire and jack in your car (I do that for all of my cars).
- Always be glad when you **don’t** have a transmission problem!

Keep those Studebakers rolling...

## Pure Stock Drag Racing

### By Joe Flannery

The Pure Stock Drags are coming up soon. I promise to write something regarding this year's event. Last year I got there and the blower had failed. My fault. I will never waste the supercharger running it on the highway. All it does is wear it out sooner. I didn't stay for the eliminations on Saturday. The blower failure really dampened my spirits and I left on Saturday morning to drive home. The drive is 850 miles. The weekend before that was the Indianapolis meet and the car was driven back and forth from there.

This year I plan to drive to the event a day earlier with my friend Fuzzy. I have a new Minolta camcorder to bring with me. I will post some things directly to our Facebook page.

Hopefully this year will be my best ever. I had

fuel issues in the past. This year the car has a new fuel pump because the other one failed at the International meet in May. I have a brand new reproduction fuel tank in it because the old one had sealer in it that was being eaten and dissolved by the Ethanol fuel. Fuel tank sealer was found in the lines, fuel pump and filter and eventually in the carburetor as well. I had the cylinder heads redone by Nimash Solanki as well as the supercharger. The car now has R3 cast iron headers on it too.

My previous best time was in 2014, and that was also my first time the car ran at that event. The car ran a 14.2@99 MPH. The car was using a 3.07 rear axle ratio which is great for the highway but not for drag racing. The rear tires are a 225-70-15 which are tall tires. The car now has a 3.54 axle ratio. With any luck the car should run well into the 13's at over 100 MPH. I have won only one shootout at the event and that was in 2020 when my competitor had an engine failure. I don't like winning that way. I have been pitted against the following cars in eliminations. The fact that I was even matched with these cars makes me happy. The published road tests for a 1963 Lark R2 have the car running at around 15.8 in the quarter mile.

- 1963 Pontiac GTO Tri power 4 speed
- 1970 Dodge Challenger TA 340 6 barrel
- 1969 Mercury Cougar Eliminator 428 automatic
- 1969 Pontiac GTO Ram Air 3 4 speed
- 1965 Chevrolet Malibu 327 L79 automatic

# Celebrations - Events

## Sept / October CELEBRATIONS

### BIRTHDAYS

Dianne Smith	9/12
Rochelle Ziglin	9/13
Joe Flannery	9/21
Kathy Startt	9/23
Beverly Petru	9/24
Susan McCord	10/01
Marsha Byrd	10/27

## 2022 SE Zone Meet

### "Celebrating the 1960s"

Join us in Gainesville FL September 23-25th! It's going to be a special meet in September!

Our meet kicks off Friday evening with a 007 spy themed cocktail party & dinner at the Cade Museum in downtown Gainesville. This is a free event with your registration!

Saturday you can show your stuff on the Studebaker concours! There will be a free picnic lunch for registrants. Saturday evening join us at awards banquet!

Sunday we'll have a morning caravan to Stephen Allen's Studebaker Parts in nearby Newberry to view their Studebaker collection. Coffee & donuts will be served.

(Registration form is on the next page.)

## North Georgia SDC 2022 Schedule of Remaining Meetings

- Oct 2, 2022: Annual chapter picnic and pot luck at Bethlehem United Methodist Church, Bethlehem, GA, Host: Billy & Charleen Carey, 770-867-2060
- Dec 4, 2022: Cumming, GA, Annual Christmas Party & Chapter Officer Elections. Host: Loren & Helen Nelson, 770-781-3722

## 2023 Meeting Schedule

### Feb 5, Decatur, GA

Host: Richard Hickok. Info: 404-285-3745

### April 2: Marietta, GA

Host: Ron & Arlinda Martinez. Info: 818-337-9401

### June 4: Sugar Hill, GA.

Host: Bill & Kathy Startt. Info: 678-852-8536

### Aug 6: Morrow, GA

Host: Terry & Dora Smith. Info: 404-213-0523

### Oct 1: Winder, GA

Host: Billy & Charleen Carey. Info: 770-867-2060 (Cell) 770-867-7186. **Annual chapter picnic at Fort Yargo State Park.**

### Dec 3: Sandy Springs, GA

Host: Joe Flannery. Info: 551-404-8992. **Annual Christmas party & chapter officer elections.**

## CARS AND PARTS FOR SALE

**1963 GT Hawk.** New Rosemist paint, re-chromed bumper, new fuel pump, water pump, motor mounts, brakes, rebuilt carb, 289 2-bbl duel exhaust, automatic, manual steering and brakes. Original interior. From the Bill Tilden Estate. \$14,000. Richard, 770-775-2064

### SOME THOUGHTS ON RESTORING A STUDEBAKER

Written by Chuck Lampman, this 99-page book is based on articles written by Chuck Lampman, North Georgia Chapter SDC member, that appeared in *Turning Wheels* in the early 1990's and won the SDC Churchill Award for Best Article, Non-paid. Some material edited out of *Turning Wheels* is included

in the book as well as updates and several new items written after the *Turning Wheels* series was published. "Some Thoughts" is aimed at the first-time restorer but will be of value to the more experienced. It is not intended to be a "how to restore" book but gives a look at the decision-making processes, tools, spaces, and basic skills needed to do a restoration. It also provides a framework to help structure a project and contains several chapters of Studebaker-specific advice.

Cost for the book shipped to continental US addresses is \$22.50 plus \$4.00 for handling and postage. Payment can be made through PayPal sent to [chuck@lampman.com](mailto:chuck@lampman.com) or by mailing a check or money order to Chuck Lampman, 4141 Lynette Court, Kennesaw GA 30144-2293.

Contact Chuck Lampman directly for purchases outside the continental U.S.

**1954 Commander** hard top. New paint, bumpers, brakes with finned front drums. Carb rebuilt, new Coker wide whites, original red vinyl interior. 232 V8 3-speed with overdrive. Most exterior chrome replaced with NOS. From the Bill Tilden estate. \$18,000. Richard, 770-775-2064

**1962 GT Hawk.** \$15,000. 289 V8, Flight-O-Matic transmission, power steering, factory air conditioning, white with red interior. We are the second owners. Dan and Barbara Miller, 770-932-1615.

# Studebaker Corral, p2 of 2

## AVANTI and OTHER PARTS

**Chuck Lampman** has sold his Avanti and has two complete disassembled 259 engines, complete with heads, clutches and bell housings free to somebody who will put them together and get at least one good engine out of the parts. One block has a cracked cylinder wall, so it would have to be sleeved. Also have a 232 crankshaft and various used transmission and other parts I need to get rid of.

Also, for sale, various shop equipment- industrial Lincoln welding machine, bead blasting cabinet with exhaust fan, hydraulic press, other stuff.

Call Chuck at 404 483-5380 to discuss what you need and what he needs to get for the stuff.

My name is Cheryl Schroeder and I am the executor of my father's estate in McDonough, GA. My father collected old cars his whole life and now that he is passed, they have become my responsibility.

While he had several 1936 Fords, a 33 and a 34 Dodge, I am writing to you today because of his 1936 Studebaker. He purchased it on ebay in December 2008 and began a frame off restoration. As he became ill, all restoration efforts stopped and the car has been sitting idle on the property ever since.

As we are researching this car, we believe it to be fairly rare but you would know more about that than I. As you can see from the pictures, it has been completely dismantled. The frame has been rebuilt, he acquired a motor and transmission (missing from the original car in 2008) and has purchased numerous chrome and accessory pieces. The body parts are in good shape, no rust. Also there are additional parts I have not taken pictures of but are available to go with the car.

We will be posting this car on Ebay in the coming weeks and will be accepting offers and available to show the car this weekend (April 2-3) in McDonough. We live in Florida and will be shipping it to our home, but the price will go up. I would appreciate your help and knowledge in selling this car on behalf of the estate. It would mean a lot to have this car go to someone in your club who would really appreciate it.
