Editor Commentary

The North Georgia chapter of the Studebaker Drivers Club kicked off the new year with a bang. Thirty-two people enjoyed the cozy confines of the Keithsburg Cafe in Canton, and they were treated to a parking lot with 10 Studebakers and one later-model Avanti. Wow! We hope to continue seeing such a great turnout of classic cars at our meetings this year. Please enjoy the photos on the cover as well as on pages 5 through 7 of this Hillholder.

Those of you who receive the electronic version of the Hillholder might have noticed that I have been using a different internet address to send out the Hillholders for the past couple of months now. This is because late last year, Hotmail made some changes, and as a result, I cannot send anything to a large number of people anymore. So, since the "new and improved" version of Hotmail has my hands tied, I was forced to move to one of my other addresses to send these newsletters out. Thus, you are now receiving them from the address email@MarimbaTim.com. I am still using the Hotmail address to correspond with individuals, but I am forced to use the MarimbaTim address for the Hillholders. It might be necessary for you to add this new address to your address book to prevent your system from categorizing my mail as spam. By the way, you can use either address to correspond with me individually. But just be aware that the Hillholders will be coming from email@MarimbaTim.com. Sorry for any confusion that this causes.

Next month's meeting will be at the Galaxy Diner in Chamblee. For those of you who have a good memory, you might recall the we had a meeting at this location back in February of 2017. Details, map, and directions appear on page 8 of this Hillholder. We hope to see everyone there!

- ☒ Terry Ziemer congratulated club members celebrating birthdays or anniversaries in the month of January.

Reports

- Barbara Miller was unable to attend today's meeting, so there was no treasurer's report for the month of December.
- Brenda Bodkin, Membership Secretary, collected dues for the year 2019 from a number of members and encouraged everyone to get their dues paid soon.
- Tim Taylor, Hillholder editor, advised members that he will be using a new email address, so it might be necessary for folks to add the new address into their address book in order to avoid "spamming" of Tim's emails containing the monthly Hillholder newsletter. Tim encouraged members to submit articles for the Hillholder, including any experiences or thoughts involving Studebakers.

- Lenny Major was recently hospitalized and is now back home. We wish him a speedy recovery.

Announcements / New & Old Business:
