A statement from The Studebaker Drivers Club, Inc.

March 16, 2020

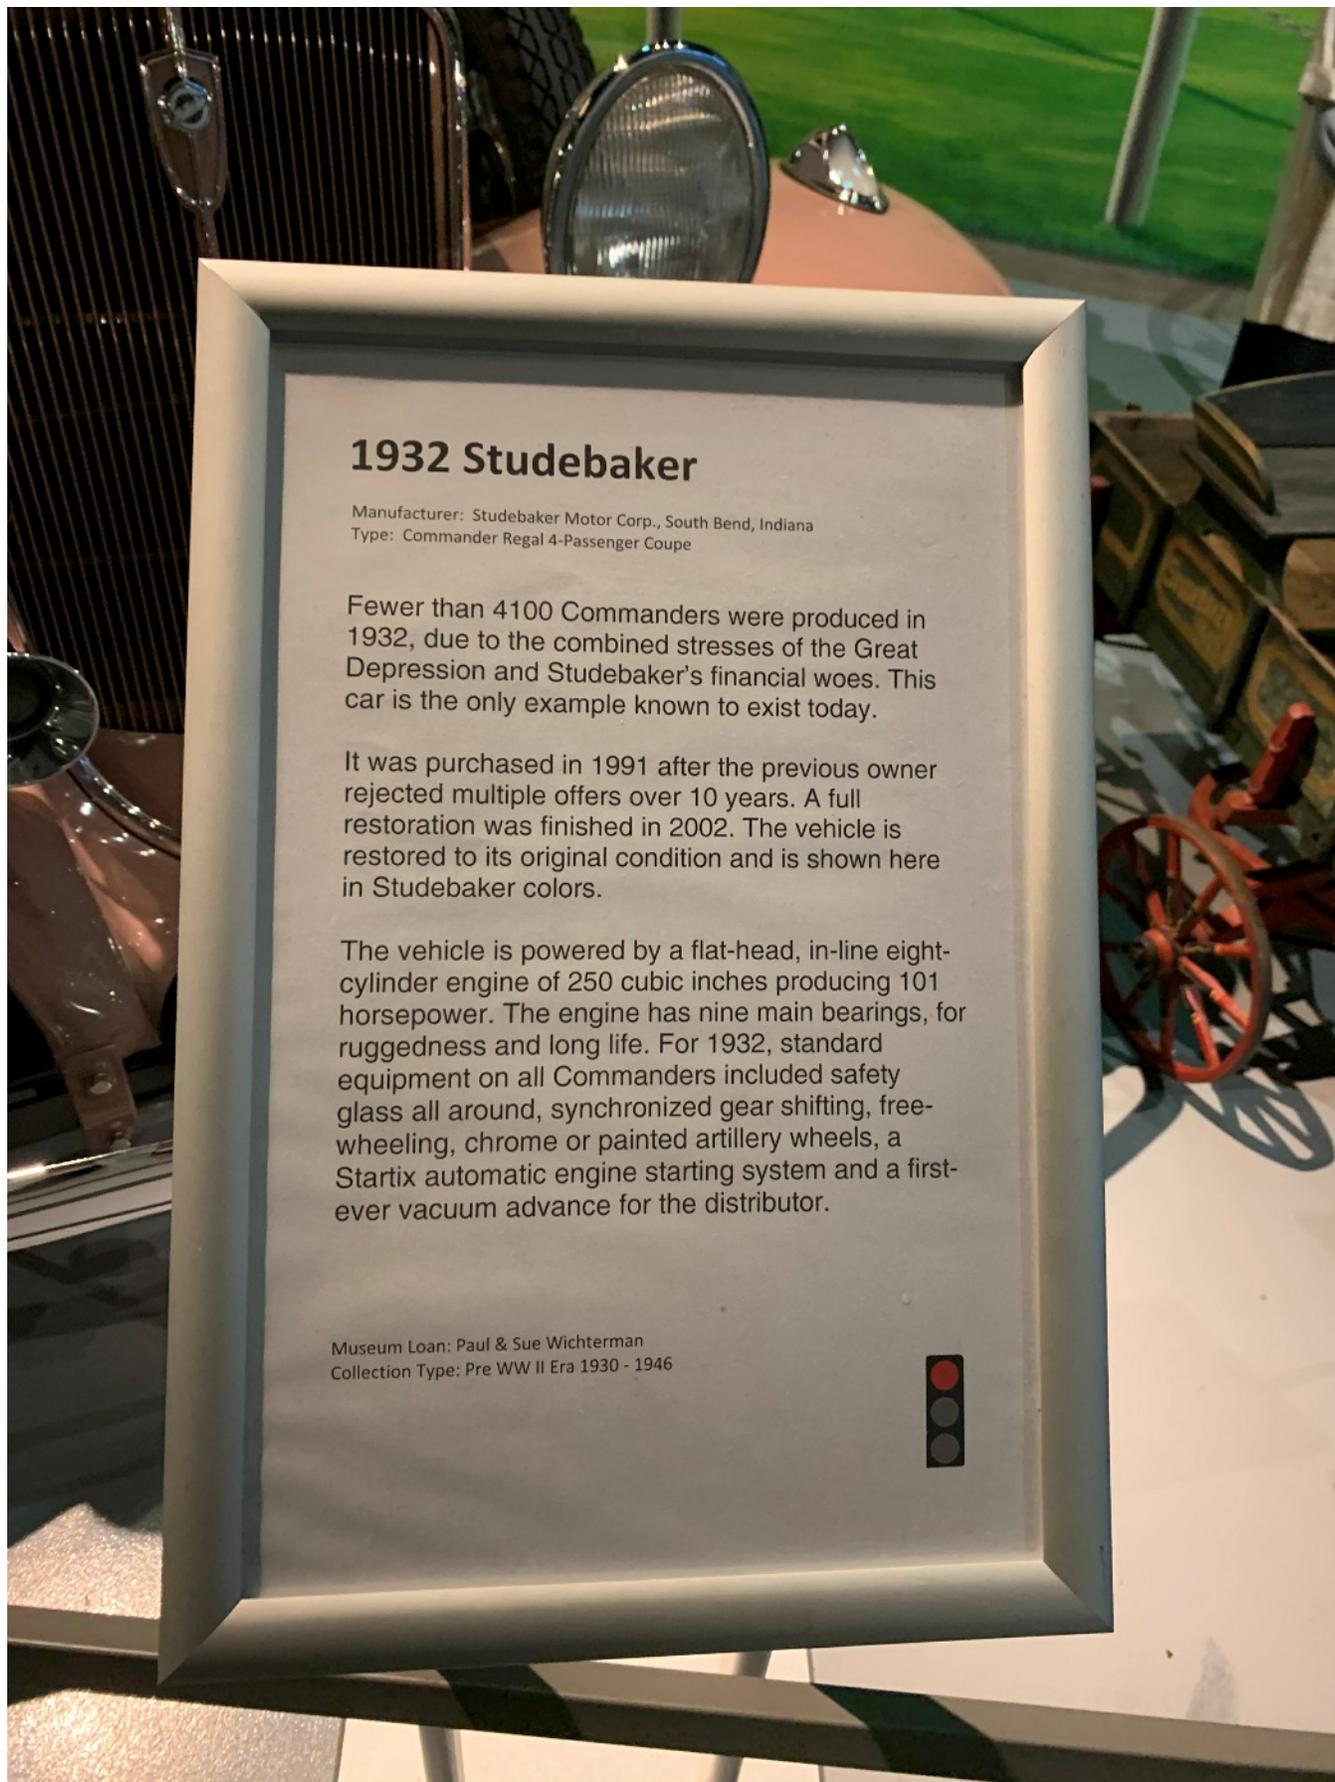

The Studebaker Drivers Club, Inc. is aware of the impact the **Coronavirus** is having on the daily life of SDC's members. Our hearts go out to those who have been affected by this unprecedented event. At the same time, we support the efforts of healthcare personnel, governments, and persons who are working on the front lines of this situation to keep people healthy.

SDC will continue to monitor events as they occur in the coming weeks and months. Travel to an event some 4-5 months away may not be high on your list at this time, but SDC will continue to keep you informed of our plans for the **International Meet**.

SDC and the **Chapters of the Southeast Zone** continue working on the **56th International Meet** of the club in **Chattanooga, Tennessee** on **August 5-8, 2020**. SDC will keep you informed of any changes to planning for the meet through the Studebaker Drivers Club Forum (<https://forum.studebakerdriversclub.com>), the SDC International Meet site (www.sdcmeeet.com), and in various postings on FACEBOOK, and other media.

Please be cautious in your travels. SDC is hopeful this time will not affect your travel plans for Spring, Summer and Fall, but the **Executive Committee of SDC**, and the **Chapters of the Southeast Zone** remain committed to bringing you an informative, educational and relaxing late Summer event to cap your travel season with Studebakers.

The **Executive Committee** and **Chapters of the Southeast Zone** of **The Studebaker Drivers Club, Inc.**

1932 Studebaker

Manufacturer: Studebaker Motor Corp., South Bend, Indiana
Type: Commander Regal 4-Passenger Coupe

Fewer than 4100 Commanders were produced in 1932, due to the combined stresses of the Great Depression and Studebaker's financial woes. This car is the only example known to exist today.

It was purchased in 1991 after the previous owner rejected multiple offers over 10 years. A full restoration was finished in 2002. The vehicle is restored to its original condition and is shown here in Studebaker colors.

The vehicle is powered by a flat-head, in-line eight-cylinder engine of 250 cubic inches producing 101 horsepower. The engine has nine main bearings, for ruggedness and long life. For 1932, standard equipment on all Commanders included safety glass all around, synchronized gear shifting, free-wheeling, chrome or painted artillery wheels, a Startix automatic engine starting system and a first-ever vacuum advance for the distributor.

Museum Loan: Paul & Sue Wichterman
Collection Type: Pre WW II Era 1930 - 1946

1959 Studebaker Lark

Manufacturer: Studebaker Motor Corp. | South Bend, Indiana
Type: 4-Door Sedan

The original owners of this vehicle were Richard and Ruth Bricker of Hershey, PA. Ruth became interested in a '63 Lark on the current owner's father's used car lot. (She said she only drove Studebakers her whole life except for one Erskine.) She bought the '63, but her '59 Lark wasn't traded because its condition was worthy of salvage. It was on the lot one day after school, wouldn't run, had burnt valves, the front fenders were badly rusted, and the interior was sad. Mr. Miller was 15 and started tinkering with the Lark. Ruth spotted him tinkering, told his father she wanted to give it to him, and he became its proud owner.

They pulled the engine, sent it out for overhaul, somehow patched it to pass inspection, and he began driving it to Palmyra High School. A year later they started the slow restoration process. It took all but 21 years to finish. Once, when asked why a door didn't fit right, Ruth responded that she once swerved to miss an animal on the exit ramp at 322 and Hershey Park Drive and rolled the car on its roof. She was hanging upside down by the seat belt when some folks stopped to rescue her. They just rolled the car over and she drove it home. The body work and paint was done by Jeff Blose. The interior was bought from Phantom Auto Works and installed by Gerald Harclerode. The Lark is a joy to drive and brings back many memories.

Museum Loan: Doug Miller
Collection Type: Post-War Era 1948 - 1969

Addendum to February 2 meeting, per Terry Ziemer

Terry learned recently that the owner of the auction house in Loganville, where the club had 3 meetings (December 2018, June 2019, and December 2019) expected to be paid for our use of the facility. The owner of the restaurant told Terry in December 2018 that the charge was \$50.

Terry did not speak with the auction house owner then nor the restaurant owner on the subsequent meetings. Not hearing anything from either person, Terry assumed, falsely, that there was no charge. Terry will talk with the auction house owner to get the amount the club needs to pay. Terry expects \$150, \$50 for each time, but it could be more. Wayne Ziemer will write the check when we know the exact amount. Terry will have a receipt from the auction house owner.

North Georgia Chapter SDC Meeting Minutes

Sunday, February 2, 2020

Sandy Springs Diner, Sandy Springs, GA

Wayne Lee, Vice-President, called the meeting to order at 3:00 p.m. He thanked Joe Flannery for selecting and arranging this location. The sign-in sheet was circulated. Wayne congratulated those with birthdays and anniversaries in January or February. The December 2019 meeting minutes were approved by consensus.

Reports

1. Wayne Lee – Gave updates on the 2020 International Meet.
2. Barbara Miller (Former Treasurer) – Provided treasurer reports for the months of November and December 2019 as well as January of 2020. Final balance was \$4296.47. See details on page 6 of this Hillholder.

New Business

1. Barbara Miller informed the group that we still have about 20 official NGSDC shirts available for purchase. Pricing had been set at \$15 for a member’s first shirt and \$30 for any additional ones. This has now been changed to simply \$15 per shirt with no stipulations.
2. Rick Kamen announced that he will be attempting to arrange a joint get-together of our club with the Hudson Club sometime during the summer or fall. He will choose one of the “off” months when our club doesn’t already have a meeting planned.
3. Rick Kamen also showed the group a collectable model of a red and white Willys Aero now available from Fairfield Collectables (formerly Fairfield Mint).
4. A brief discussion took place regarding the fact that Guadalupe Taylor is in her fifth year as club secretary in spite of club by-laws that specify a maximum of four consecutive years for this position. As a result, Tim Taylor will take over as secretary effective immediately.

Adjournment

The meeting was adjourned at 3:34 PM.

Richard Hiickok won the 50-50. The club banked \$53.

CARS AND PARTS FOR SALE

1963 GT Hawk. New Rosemist paint, re-chromed bumper, new fuel pump, water pump, motor mounts, brakes, rebuilt carb, 289 2-bbl duel exhaust, automatic, manual steering and brakes. Original interior. From the Bill Tilden Estate. \$14,000. Richard, 770-775-2064

SOME THOUGHTS ON RESTORING A STUDEBAKER

Written by Chuck Lampman, this 99-page book is based on articles written by Chuck Lampman, North Georgia Chapter SDC member, that appeared in *Turning Wheels* in the early 1990's and won the SDC Churchill Award for Best Article, Non-paid. Some material edited out of *Turning Wheels* is included

in the book as well as updates and several new items written after the *Turning Wheels* series was published. "Some Thoughts" is aimed at the first-time restorer but will be of value to the more experienced. It is not intended to be a "how to restore" book but gives a look at the decision-making processes, tools, spaces, and basic skills needed to do a restoration. It also provides a framework to help structure a project and contains several chapters of Studebaker-specific advice.

Cost for the book shipped to continental US addresses is \$22.50 plus \$4.00 for handling and postage. Payment can be made through PayPal sent to chuck@lampman.com or by mailing a check or money order to Chuck Lampman, 4141 Lynette Court, Kennesaw GA 30144-2293.

Contact Chuck Lampman directly for purchases outside the continental U.S.

1954 Commander hard top. New paint, bumpers, brakes with finned front drums. Carb rebuilt, new Coker wide whites, original red vinyl interior. 232 V8 3-speed with overdrive. Most exterior chrome replaced with NOS. From the Bill Tilden estate. \$18,000. Richard, 770-775-2064

1956 Golden Hawk, \$19,995. Excellent appearance, excellent driving, always garaged, maintained by Studebaker mechanic, daily driver. Only reason selling making move and no place to house. This car is an eye catcher and people like to have their picture made with it! Chip Branch, 770-532-8993.

Bill Sudderth of Macon GA is interested in purchasing a 1963 or 1964 non-supercharged Avanti. If you have one or know of one for sale, please contact Bill at jusudd@cox.net

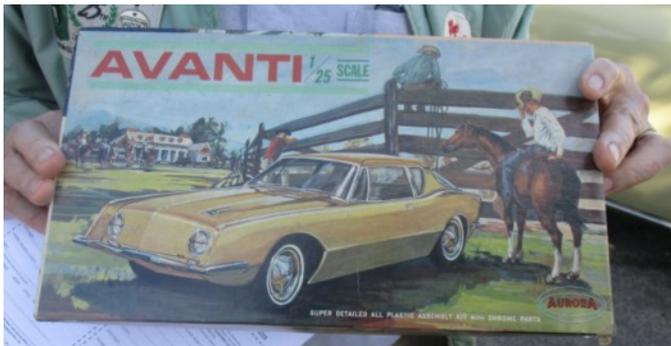

Studebaker Corral, p2 of 2

1910 Studebaker farm/grain wagon. \$3500. Good original condition. Includes single tree. Has been under cover or garaged since we bought it in 1984. The original owner bought it new in Marietta, GA. We are the second owners. Dan and Barbara Miller, 770-932-1615.

1962 GT Hawk. \$15,000. 289 V8, Flight-O-Matic transmission, power steering, factory air conditioning, white with red interior. We are the second owners. Dan and Barbara Miller, 770-932-1615.

1/25 scale model Studebaker Avanti made by Aurora. Brand new, all parts still inside unopened plastic bag. Contact Preston Stevens 404-351-5110 or hudsonewss@aol.com

1960 Lark 4-door, runs great, title and tags, all original. \$5,999. Contact herewegoyoga@gmail.com

RESTORATION CANDIDATE

There is a 1962 **Studebaker Lark 6**, light blue 4-door in Griffin, Georgia, that can be had for about \$500. I do not own it but have looked at it closely on several occasions and I think that it is in good enough condition for a project car. I would buy it myself, but am finishing up getting my '62 Lark Regal V-8 4-door on the road after 5 years of restoration and don't have any place to store another vehicle. It would be great if someone out there could SAVE ANOTHER Studebaker for prosperity. Interested people may contact me: Robert Langford at work 770-227-2239 -- and I will be happy to give more details.
