### About the July Meeting

The July meeting will take place at Williamson Brothers BBQ Restaurant in Douglasville. Following the meeting, we are invited to stop by Streetside Classics consignment shop showroom in Lithia Springs. Page 7 of this Hillholder shows directions to both Williamson Brothers and Streetside Classics.

Streetside is normally closed on Sundays, but they are opening their doors especially for us on July 7. Guadalupe and I stop by Streetside every now and then since we live nearby, and we are always impressed by the variety and number of interesting vehicles they have on hand in their huge warehouse. Expect to see around 300 of them.

### Time to Smile

This is the true story of George Phillips of Meridian, Mississippi, who was going to bed when his wife told him that he'd left the light on in the shed. George opened the door to go turn off the light but saw there were people in the shed in the process of stealing things. He immediately phoned the police, who asked "Is someone in your house?" And George said no and explained the situation. Then they explained that all patrols were busy, and that he should simply lock his door and an officer would be there when available. George said, "Okay," hung up, counted to 30, and phoned the police again.

"Hello, I just called you a few seconds ago because there were people in my shed. Well, you don't have to worry about them now because I've just shot them all." Then he hung up. Within five minutes three squad cars, an armed response unit, and an ambulance showed up. Of course, the police caught the burglars red-handed.

One of the policemen said to George: "I thought you said that you'd shot them!" George said, "I thought you said there was nobody available!"

### SOME THOUGHTS ON RESTORING A STUDEBAKER

Written by Chuck Lampman, this 99-page book is based on articles written by Chuck Lampman, North Georgia Chapter SDC member, that appeared in *Turning Wheels* in the early 1990's and won the SDC Churchill Award for Best Article, Non-paid. Some material edited out of *Turning Wheels* is included

in the book as well as updates and several new items written after the *Turning Wheels* series was published. "Some Thoughts" is aimed at the first-time restorer but will be of value to the more experienced. It is not intended to be a "how to restore" book but gives a look at the decision-making processes, tools, spaces, and basic skills needed to do a restoration. It also provides a framework to help structure a project and contains several chapters of Studebaker-specific advice.

Cost for the book shipped to continental US addresses is \$22.50 plus \$4.00 for handling and postage. Payment can be made through PayPal sent to [chuck@lampman.com](mailto:chuck@lampman.com) or by mailing a check or money order to Chuck Lampman, 4141 Lynette Court, Kennesaw GA 30144-2293.
