## President's Message

January 13, 2008

**I** hope that everyone is enjoying the nice but cool weather we are having. We had a very good turnout of members and cars at our first meeting of the year in Kennesaw. We added two new memberships to our roster: John & Lisa Spang of Woodstock, Georgia, and Tom Odom of Charleston, Tennessee. At our next meeting let's all welcome them to the club. They both found us on our website (good work by Chuck). This is a good beginning for the New Year and I hope that our membership will continue to grow through 2008.

I am looking forward to seeing all of you at the February meeting, on Saturday February 2nd. This looks to be a fun and educational meeting for us of the North Georgia Chapter. There will be a short membership meeting during our lunch stop, as we have a full day planned.

Everyone enjoy getting out your Studebakers, and drive safely.

Barbara A. Miller

## January 2008 Meeting Minutes

- President Barbara Miller opened the meeting. We welcomed new member John Spang and visiting former members Ken & Sharon Thomas. Our other new member, Tom Odom, joined us briefly but was unable to stay for the entire event.
- Thank you to Chuck and Cindy Lampman for hosting this month's meeting.
- We remembered Paul Zilka, who died on January 1<sup>st</sup> at age 56. Paul was with us most recently at the annual Christmas party. Along with his past membership in the SDC, Paul had also been active in the Buick, Packard, and Horseless Carriage Clubs.
- Please keep in your thoughts and prayers the members of our chapter family who are ill or are recuperating: Myrtle Burris, Charlotte Delli, Terry Smith, and Bill Tilden.
- Ray and Brenda Phillips gave us the contact information for their daughter. She is in Texas for about three months and will be deployed sometime after March 17. Cards, notes and letters of encouragement should go to the following address. *(Address must be written exactly as follows):*

BAMC MCHE – ED  
 Attention: 1<sup>st</sup>. Lt Lee Phillips CC/EN Course  
 3851 Roger Brooke Dr. (Bldg. 3600)  
 Ft. Sam Houston, TX 78234-6200

- Charleen Carey officially retired on December 31, but she and Billy will be doing some upholstery work on a limited basis by appointment.
- Recognized January Birthdays and Anniversaries.
- As unopposed candidates, Edward Burris and Wayne Lee have won as SDC National Board Member and Southeastern Zone Coordinator, respectively. Congratulations and thank you for your contributions to the club.
- We discussed making a donation to the South Georgia Chapter to support trophy costs associated with the 5<sup>th</sup> Annual Georgia State Meet. That chapter supported last year's Hiawassee meet in a similar fashion. Motion to donate \$300 for trophies made, seconded, and approved by the members present.
- Chuck Lampman noted that we need to have an alternative signer for our chapter bank account, in case the Treasurer as primary signer is incapacitated. Barbara Miller has agreed that this is an appropriate role for the President. As required by the Chapter By-Laws, this is your formal notice that the following change to the Chapter By-Laws is being proposed, and will be voted on at the February 2, 2008 meeting:

“The President shall be an alternate signatory on the Chapter's bank accounts to provide continuity in the event of incapacitation of the Treasurer.”

*(continued next page)*

- Chuck presented highlights of the final 2007 financial statements, which are printed below. 2008 Treasurer Charlotte Delli said that our current bank balance is approximately \$6,800, including dues received so far this month.
- Membership Secretary Bill Delli said we have 63 member households totaling 112 persons at last count.
- 2008 Chapter dues must be paid before March 1 to avoid a lapse in your membership. As we have discussed previously, annual dues are now \$10.00, and you must be a National SDC member and supply us with your member number in order to be a chapter member.
- Our next meeting will be Saturday February 2, hosted by Rick Kamen and Susan Schlittler. Details in this newsletter and on the Chapter web site. Thank you to Marvin and Carolyn Sikes for being backup event hosts while we were finalizing our 2008 meet schedule.
- On the national front, Dan Miller reported that a big turnout is expected for the SDC International Meet in Lancaster, Pennsylvania during September. The meet organizers are making arrangements for additional lodging availability.
- Carolyn Sikes reported on a couple of other events. SDC member Joe Parsons of Raleigh, North Carolina won Best of Class, Outstanding Orphans, with his 1958 Golden Hawk at the 2007 Hilton Head Concours d'Elegance & Motoring Festival. This September, orphan cars will be featured at the Vintage Wine, Vintage Cars event at the Hudgens Center for the Arts in Duluth. Carolyn will be getting with Rick Kamen about this event; more information to follow later in the year.

There being no further business, the meeting was adjourned. See you in February!

## History of Studebaker

(source: 1966 Model Year Introduction Press Kit)

- 1919: All wagon production was discontinued.
- 1922: Annual sales passed \$100 million mark.
- 1926: Last of the Detroit car production moved to South Bend. A modern engineering and research plant, along with an 800-acre proving ground, was established in South Bend. The Erskine Six, a small, low gas consumption car for foreign export, was introduced in Paris, France. Sales abroad for the first year totaled 26,000 units.
- 1927: First to use mechanical fuel pump.
- 1928: The company bought a substantial interest in Pierce-Arrow Motor Car Company of Buffalo, New York.
- 1929: Studebaker introduced the Rockne Six in the low price field.
- 1930: First to use carburetor silencer and automatic spark control.
- 1931: First to introduce "Free Wheeling", later a basic principle for overdrive and most automatic transmissions.
- 1933: In March of this year, the company went into receivership. Appointed as receivers were Harold S. Vance, Paul G. Hoffman and Ashton G. Bean.

**(Editor's Note:** Wayne Lee passed along an ad he saw on Craigslist last week for a Silver Hawk project. As of January 15, this listing was still active. Links to the listing and pictures of the car follow. You will not find the car by searching for "Studebaker" since it is titled "Stubaker". Wayne's message follows. CC)

I found this car on Craigslist last Saturday evening. I've not seen it in person. The owner, Fred, says \$2900 was spent to professionally install a Nova front frame clip with PS & PB & tilt column. It has a late 70s Camaro 350/350 and an Olds 442 rear axle. It runs and is drivable and he says he has everything needed to put it back together. The seats are leather from a Lexus. The grill is a fresh re-chrome, bumpers are good as is all the glass but the front vent windows. One small rust spot in trunk - floor plan on driver's side has been replaced - the rest is good he says. He is asking \$4000. The stainless side trim holes are welded closed - didn't ask if he has those pieces. He is located in Cleveland, GA.

### FOR SALE:

#### CARS AND TRUCKS

**1957 Transtar Truck Project.** Located near Chattanooga, TN. Started by a former SDC member familiar with Studebakers. Gentleman is now disabled and this is being sold by his spouse in expectation of them relocating from their home. As described by a family friend: "I have seen the truck and parts as stored in the garage & basement; her husband's passion was building Studebakers. The truck is down to bare metal, disk brake front end, brand new 350 engine with serpentine pulley system on it. Brand new transmission, rear end, wheels and tires, several boxes of parts to help finish. Vintage heating and air, new gauges, tilt steering column, Lecara banjo steering wheel, new headers and exhaust, power window motors. Still have the original flat head engine, transmission, rear end, wheels, and original truck bed. Bed on truck now is a circa 83-84 Chevy Stepside, custom grill hand-made by the owner, original seat plus new seats. Truck is all there and would make a nice vehicle for someone to finish. Terry said she would like to get \$11,000 for everything, but is willing to negotiate, particularly with a buyer who takes all."

Owner and primary contact is Mrs. Terry Franklin, home 423.238.6788; cell 423.413.2387. Her friend Mr. Steve White provided this information and has offered to assist anyone wishing to see the truck. His phone is 770.354.7783, or email to: RAILROADSTEVE77@aol.com (2/2008)

**1955 Conestoga 2-door wagon.** 259 V-8, 3 speed/OD. Purchased from an estate after not being driven for many years. Shows 36,000 miles which I believe to be accurate based on inspection of rings, bearings, cylinder walls, etc. (Engine was locked up when purchased so I had to tear it down). Car is complete with all trim except "Conestoga" script on tailgate. Has floor rust, some rust in rocker panels and tailgate. Asking price is \$1,700; I am willing to negotiate as I am moving out of the country. Car is located in Bostwick, GA (between Athens and Madison). Call Mike @ 770.267.7383, or email: delriomike@alltel.net (2/2008)

**1984 Avanti.** New GM Silver Beige (original color) paint, new race-built TH700R4 transmission, new timing chain and gears, fuel and water pumps, A/C overhauled, new radio, new authentic bumper strip on sides and bumpers, new Dayton wire wheels and Pirelli tires. Has significant wear on bolster of driver's seat, leaks some oil, which could be rear main or valve cover gaskets, cruise control inoperative, scratch in paint on trunk. \$10,000. Call Chuck Lampman, 770.926.7142. (4/2008)

Please call Steve Detch: 770.516.5434 or 678.481.4492. You may also email to [sadetch@comcast.net](mailto:sadetch@comcast.net). I do have pictures and will email them to you on request. Offers and trades will be considered. (4/2008)

## STUDEBAKER MEDIA

I finally finished it! This is a 99 page book I've put together based on the articles of the same name that appeared in *Turning Wheels* in the early 1990s and which won the SDC's Churchill Award for Best Article, Non-Paid. The book contains all the material from the original series, which ran for a year and a half in *The Hillholder*, and not only replaces some material edited out for the *TW* series, but has updates and several new items that were written after the *TW* series was published.

"Some Thoughts" is aimed at the first-time restorer, but will be of value to the more experienced; it doesn't try to be a "how to restore a car book", but gives you a look at the decision-making processes, tools, spaces and basic skills you'll need to do a restoration, and will provide a framework to help you structure your project.

There are several chapters of Studebaker-specific advice. In the chapter devoted to engine rebuilding, I've tried to describe a step-by-step process that anybody can follow, and included tips I've picked up in building 60+ engines. I've received many compliments on the engine chapter, and I'm glad to finally be able to get it in print.

The book is priced at \$22.50, plus \$4.00 for packaging and postage. It is also available at [chuck@lampman.com](mailto:chuck@lampman.com), but without the PayPal option for now. North Georgia Chapter members can just email me and I'll bring your copy to a chapter meeting; you can pay me there. (4/2008) Chuck Lampman.

## PARTS WANTED:

**Wanted for 1962 GT Hawk:** Chrome fender trim and rear glass trim.

Also, for anyone in need of a Borg-Warner T-35 (AMC Flash-O-Matic) rebuild, I can offer my services to you. I have been rebuilding similar units (BW T-66) for Jaguars for several years. My website is currently under construction but there are a few pictures at [www.jagboxes.com](http://www.jagboxes.com). Greer Westover, Newnan, GA. 770.683.7692.
