North Georgia Chapter, Studebaker Drivers Club
Meeting Minutes
June 5, 2011

- Vice-President Ben Alspach opened the meeting, standing in for the vacationing Alan Ziglin. In Rochelle's absence, Dotty Carto took care of the door prize and 50/50 tickets.
- Thank you to Buddy and Dot Hunt for hosting our meeting today. Among our visitors were Jerry and Nelda Smith with their 1962 GT Hawk, and Kevin Garrison with his 1962 Lark. The Smiths own several Studebakers, and joined our chapter during the meeting – Welcome!
- Motion to approve the May meeting minutes as published in *The Hillholder* was made, seconded, and approved by all members present.
- We announced birthdays, anniversaries, and those members we need to keep in our thoughts and prayers.
- Several members told us about local car shows taking place over the next few months. Some of these will be listed in the Other Events section of *The Hillholder*.
- SDC National board member Edward Burriss has proposed that *Turning Wheels* change to a less costly, lighter-weight paper for the covers, now that the magazine is wrapped in plastic for mailing. Edward attended the Spring Fling in Boone, North Carolina yesterday. They had a good turnout-- about 55 Studebakers, plus some 25 other vintage cars.

The week before, Edward was at the Townsend, Tennessee meet. Mike and Marsha Byrd won a 1st place with their GT Hawk, and Buddy and Dot Hunt won a 2nd with their 1961 Champ. Edward received a 1st place award for the presentation he made during the meet. Thomas Odom also was in attendance.

- Charlotte Delli presented the Treasurer's Report; a copy will be in *The Hillholder*. The 2011 member roster is done and we will send it out this week.
- Bill Delli reports our membership count at 66, including the Smiths who joined today.
- Jim Nichols asked if our chapter has ever made a donation to the Studebaker National Museum. Charlotte believes we did in the past, but it was quite some time ago. Edward Burriss said he and Thomas Odom have thought the chapter might consider buying a portable defibrillator, to have on hand at meets as a potential life-saving measure. Charlotte recommended that Jim and Ed contact Alan Ziglin with those ideas once he is back in town.
- Barbara Miller still has some 2010 Zone Meet t-shirts (X-Large only) available for \$5.00 each. Contact Barbara if you want one; she also has some dash plaques left.
- *Updated since the meeting:* Charleen Carey knows a supplier who can produce some t-shirts for International Drive Your Studebaker Day (our September 10 meeting). The shirts are blue with a State of Georgia outline, and the IDYSD logo. Price per shirt is \$6.50 for sizes small through extra-large; size XXL is \$8.50. Charleen has ordered 24 shirts in mixed sizes, and will bring them to the July meeting. She can also order more if needed, and bring those to the August picnic. If you want to reserve a shirt before the July meeting, you may call Charleen at 770.867.7186 (day), or 770.867.2060 (evening).

(continued next page)

- Speaking about the September meeting, Lenny Major has arranged for a presentation on the history and varieties of Georgia license plates. This should be a good source of information for those who are looking for year-of-manufacture tags for their vehicles.
- Our visitor Paul Shadowens drew for door prizes. Winners included: Billy Carey, Charleen Carey, Dotty Carto, Kevin Garrison, Phyllis Major, Carol Nichols, and Carolyn Sikes.
- Hobo Bodkin won the 50/50 drawing, splitting the \$62 pot with the chapter.
- Our next meeting will be July 10th (second Sunday of the month) at The Flying Machine Restaurant, located at the Gwinnett County Airport in Lawrenceville. Details and directions will be in *The Hillholder*. No need to RSVP.

There being no further business, the meeting was adjourned. See you again July 10th.

To my Readers:

It is amazing (and humbling) how fast time flies. By the end of 2011, I will have been your chapter Secretary and Editor for four and one-half years. It has truly been a privilege and a pleasure to support the chapter in these capacities.

Per our By-Laws, I will not be eligible to run again as Secretary in 2012. I also feel it is time for me to step off of *The Hillholder* platform, and give another member an opportunity to serve.

So... now is the time to begin thinking about who you would like to nominate for these roles. Perhaps YOU! Feel free to contact me if you would like to know more about what the job entails.

Sincerely,

Chris Collins

The Mailbox

To Our SDC Family:

Thank you for all the many cards, calls, visits and especially the prayers over the past 2 years. Your support for Tom and me was tremendous. He loved the members of this club like they were his family. The Studebaker procession, I know, had him smiling from the Heavens!

Much Love,

Maureen Elliott

Alan Ziglin recently was contacted by a lady who would like to have a member's Studebaker (or another old car) in her wedding. Specifically, the wedding is in Statham, GA (between Athens and Winder) on Saturday August 6. Being sought is someone to take the bride and groom from the wedding in Statham, to the reception about 12 miles away.

If you are interested in being a part of this couple's special day, please get in touch with Alan Ziglin or Chris Collins; we both have her contact info.

We'd like to hear from you by June 29, so plans can be finalized. Thanks...

Chris

Thank you for your donation in memory of our Mother, Doris Couch. She's greatly missed, but not forgotten. Your donation will carry her memory forward and keep her in our hearts and minds.

Sincerely,

Solon Couch
Vauda Beinke (Solon's sister)

The restaurant has both indoor and outdoor dining areas. The outdoor patio overlooks the runway of the airport and is a popular place to dine and watch the planes take off and land (if bringing children you are asked to keep them from climbing on the rail or running). We will be ordering off the menu so no need to RSVP. The restaurant normally closes at 3pm on Sunday, but they are willing to stay later to accommodate our club meeting. Our hosts are Hokey and Joy. I have been to the restaurant with both of my cars and, they are anxious to see more Studebakers. Hope the weather is great so we all drive Studebakers to the meeting.

From I-85 (north or south) take hwy. 316 East toward Athens. After going through the intersection of Hwy. 20/124 take the first right onto Hosea Road. It is less than a mile from the intersection, so watch for it. Take Hosea Road to Briscoe Boulevard and make a left. The restaurant is on the left about a half mile down. Going west on Hwy. 316 from Athens, make a left on Hwy 29. Take Hwy 29 to Hosea Road and make a right. Just after the railroad crossing make a right onto Briscoe Boulevard.

STUDEBAKER DRIVERS CLUB
34TH ANNUAL FLORIDA STATE MEET
NOVEMBER 11-13, 2011

Studebaker's literature for 1961 touted the **PERFORMABILITY** of the newly restyled Lark. We here in the Orlando Area Chapter are going to use this theme for the 34th Annual State Meet. While we all enjoy looking at beautifully restored show cars on a concourse field, many of us have Studebakers that we drive and enjoy on a regular basis. This meet is designed to bring out the true joy of Studebaker ownership no matter what condition your Studebaker is in.

We have scheduled some fun and interesting driving tours for Friday and Sunday. Friday's tour takes us to the beautiful city of Winter Park, FL just a short drive south of the host hotel. Plan on a 1:30 PM departure from the hotel. We will stay off of the interstate and arrive in downtown Winter Park and enjoy the famous Winter Park Boat Tour, a pontoon boat excursion on three lakes and two canals. It offers a chance to see the campus of Rollins College and some of the beautiful homes on the lakes. Maybe even a gator or two? Tours last 50 minutes and depart every hour on the hour. www.scenicboattours.com

Just a few blocks from the boat dock is the Charles Hosmer Morse Museum of American Art. It houses the largest collection of Louis Comfort Tiffany glass in the country. Just opened is the new addition to the museum, the Laurelton Hall gallery named after Tiffany's famous Long Island estate built between 1902 and 1905. Laurelton Hall was destroyed by fire in 1957. For more information, check out www.morsemuseum.org. After the museum and boat tour there are a myriad of shops and restaurants on Park Avenue to check out. It will be a very relaxing and enjoyable day for sure.

Sunday's tour provides some wild excitement. Or make that wildlife excitement. We will start out with breakfast at Too Jay's Deli just minutes from the Marriott. The group will leave the hotel at 9:00 AM. With tummies full we shall motor a few miles to the Central Florida Zoo in Sanford. Dating back to 1923, the Central Florida Zoo provides an excellent way to see wildlife of the world, and wildlife from right here in Florida. For the more adventurous there is ZOOM Air Adventure Park, with zip lines, rope bridges and other high up means of travel. www.centralfloridazoo.org A great way to end a fun time at the FL State Meet!

We hope to see you here!

This is a 99 page book based on the articles of the same name that appeared in *Turning Wheels* in the early 1990s and which won the SDC's Churchill Award for Best Article, Non-Paid. The book contains all the material from the original series, which ran for a year and a half in *The Hillholder*, and not only replaces some material edited out for the *TW* series, but has updates and several new items that were written after the *TW* series was published.

"Some Thoughts" is aimed at the first-time restorer, but will be of value to the more experienced; it doesn't try to be a "how to restore a car book", but gives you a look at the decision-making processes, tools, spaces and basic skills you'll need to do a restoration, and will provide a framework to help you structure your project.

There are several chapters of Studebaker-specific advice. In the chapter devoted to engine rebuilding, I've tried to describe a step-by-step process that anybody can follow, and I've tried to include tips I've picked up in building 60+ engines. I've received many compliments on the engine chapter, and I'm glad to finally be able to get it in print.

Some Thoughts on Restoring a Studebaker is available for \$22.50 USD, plus \$4 for handling and postage, for a total of \$26.50 to US addresses. Canadian orders add \$6.50 USD for postage, total \$29.00 USD. To order a second book in the same order, add an additional \$3 (\$4 USD for Canadian orders). For Australia and Europe, shipping is \$12, total \$34.50 USD paid by PayPal only.

The easiest way to purchase (and the only way if you are in Australia or Europe) is to PayPal the appropriate amount to me at chuck@lampman.com, and mention *Some Thoughts* in the remarks section. Otherwise, if you live in the US or Canada, send your name, mailing address and a check or USPS money order for \$26.50 (\$29.00 USD bank draft for Canadian buyers) to:

Chuck Lampman
4141 Lynette Ct.
Kennesaw, GA. 30144-2293

If mailing payment, please email me to notify me that the check is coming so I can set one aside for you, or get some more printed. (I try not to keep too big an inventory because they are expensive to stock.) (7/2011)
