## Commander's Comments

October 1, 2011

North Georgia Chapter Members:

I don't know how long our streak of luck will hold out, but we had yet another great weather day for our monthly meeting. This is my favorite time of the year when we start getting a break from the heat and humidity of the summer. Possibly because of the weather, we had a very good turnout of Studebakers with well over a dozen in attendance.

Thanks to Janet and Ben Alspach and Wayne and Ann Lee for hosting today. The barbeque was great, as was the setting, and to top it all off, we got free admission to the Southern Museum of Civil War and Locomotive History. I hope you took advantage of the opportunity to tour the museum and also to view the 25 minute movie set during the Civil War and focusing on the stealing of the locomotive named The General.

Next month, Charlotte and Bill Delli will host our Mystery Tour. Please note that the meeting will be on Saturday and will begin at 1PM in Waleska. I'm looking forward to it and hope you are too.

Until then, keep those Studebakers on the road safely.

**Alan Ziglin**

## COMPARED TO WHAT?

A jazz musician named Brian Auger recorded a song entitled, "Compared to what?".

I find the title interesting. Whether we think about it or not, most of the time when we use words like fast, great, old and many others, we are really making a comparative statement. For example, if we hear that a person is 110 years old, most people would think, "Wow, that's a really long time." Of course they would be right as long as we are thinking about how long people usually live. However, 110 years is not very long if we are comparing those years to the age of solar system, which is billions of years old.

Another example is that Rochelle used to work with a woman whose husband was heavily into sailboat racing. I once asked him if he ever took his boat out on the lake just to cruise around and enjoy the day. He immediately indicated that he never did that. He explained that if you are out on a sailboat and are not racing, there is no way to know if you are going fast or slow. What he was saying was that "fast" and "slow" are relative terms.

Comparisons are more meaningful if it is clear what we are making the comparison to. Personally, I am very impressed with the Studebaker Drivers Club and its monthly magazine, *Turning Wheels*. However, I only belong to three other clubs besides SDC (Antique Studebaker Club, Pontiac Oakland Club International and Antique Automobile Club of America). Of those, the only club other than SDC, that focuses on just one make of car and has a monthly magazine, is the Pontiac Oakland Club. (Oakland is the car that Pontiac evolved from.) So it occurs to me that I don't have a very broad knowledge of how good other car club magazines are and therefore, my opinion on *Turning Wheels* might, or might not, be very realistic.

(continued next page)

For this reason, I am always interested when an opportunity arises for me to see how others view *Turning Wheels*. Such an opportunity occurred last December. In the December 2010 issue of *Smoke Signals* (the monthly magazine of the Pontiac Oakland Club), Alan Mayes (in his column as Vice President of the club) used *Turning Wheels* as a point of reference.

With his kind permission and that of the magazine editor (Don Keefe), I am reprinting the opening part of his column.

"Every major car club in the nation has a club magazine/newsletter. That's the main way the club communicates and usually the club magazine is its chief recruiting tool. There are some really good club magazines out there and some that are nothing to brag about, though they still serve their purpose.

Besides POCI, I belong to the Studebaker Drivers Club and the Riviera Owners Association. Though I no longer own a Studebaker, I retain my SDC membership just to get the magazine, *Turning Wheels*. It's that informative, with lots of great old Studebaker history articles (and if I hit the Powerball, I'm going to buy an Avanti and a Hawk!). I still have a Riviera, a 1964 model."

I think we can consider Mr. Mayes' opinion an informed one, as he also states:

"Over the years, I have belonged to several different brand or model-specific national car clubs as well as some multi-make clubs, based on cars I happened to own at the time. At one time or another I have belonged to the International Edsel Club, the Falcon Club of America, the Packard Club, Kustoms of America, and the Antique Automobile Club of America. Besides the SDC and ROA, I am currently a member of Goodguys Rod & Custom Association, National Street Rod Association, Kustom Kamps of America, and the Society of Automotive Historians."

My conclusion from all the above is that (just as we are proud of *The Hillholder*—our award winning chapter newsletter)—we also have good reason to be proud of *Turning Wheels*.

Until next time, please don't forget to...Throw out the clutch!

North Georgia Chapter, Studebaker Drivers Club  
Meeting Minutes  
October 1, 2011

- President Alan Ziglin called the meeting to order. Thank you to Ben & Janet Alspach and Wayne & Ann Lee for hosting us today.
- It was good to see new member Dave Clackum, as well as Ron and Arlinda Martinez, who we have not seen in a while. We had one guest; Ken Spenski, a friend of Pete McCaffrey's.
- Motion to approve the minutes of the September meeting as published in the October *Hillholder* was made, seconded, and approved by all members present.
- We recognized October birthdays and anniversaries, and recalled those members we want to keep in our thoughts and prayers.
- Jim Nichols circulated a photo album that included pictures of the car we adopted at the Studebaker Museum. The signage indicating our sponsorship in memory of Tom Elliott is in place. The album also included pictures from the Michiana Chapter's meeting at the Studebaker proving grounds, and some shots of the Studebaker foundry demolition.
- Edward Burris discussed a recent proposal before the SDC board by which a member could receive free dues by recruiting new members. Ed voted against this proposal, owing to concerns that many new members leave the SDC after a short period of time. The club could waive dues for an existing member, while getting little benefit from the new recruits.
- Barbara Miller made a motion that we nominate Ed for another term as Southeast Zone Director. Charlotte Delli seconded the motion, and it passed by unanimous vote of the members present. Chris Collins will get in touch with the SDC to make sure Ed's nomination is in place.
- We circulated the obituary for Peggy Soderberg, Assistant Director of the Studebaker Museum, who passed away September 18.
- Wayne Lee reports that the Northeast Florida chapter is planning to host the 2012 Florida State Meet.
- Charlotte Delli presented the Treasurer's Report; a copy will be in *The Hillholder*. We are just above the chapter's desired \$5,000 minimum account balance, so we will not be looking for any further charitable giving opportunities for the time being.
- Our next meeting will be Saturday November 5<sup>th</sup>, starting at 1 PM. We will meet in Waleska to start out; from there we will do some touring to our final "mystery" destination. Charlotte hinted the restaurant is near a national historic site and has great food. More information and directions will be in *The Hillholder*.
- Bill Delli reports that a couple recently joined the chapter, bringing our membership to 67 households.
- We reminded members that officer nominations are still open for **all** offices. We still do not have any nominees for secretary or membership secretary. The nomination form will continue running in *The Hillholder*.
- At the last meeting, we discussed the (10) Studebaker National Museum entry passes we received for our vehicle sponsorship. Motion was made, seconded, and approved to have a special drawing for these passes during the December meeting.

(continued next page)

In order to be eligible for the special drawing, you need to give your name to Alan Ziglin by November 15<sup>th</sup>. Tickets are one per person, so couples wanting to attend should give both their names to Alan. Please note that these tickets expire on July 31, 2012. If you win a ticket and plan to visit the Museum during the 2012 National Meet (July 29-August 4), you'll want to plan accordingly.

- Door prize winners included: Charlie Attaway, Ron Bergeron, Ed Burris, Mike Hopper, Rich Knoblock, Pete McCaffrey, Dan Miller, Ken Spenski, and both of David Stone's grandsons.
- Linda Fisher won the 50/50 drawing, splitting the \$57 pot with the chapter. Linda donated her winnings back to the club. Thanks Linda!

There being no further business, the meeting was adjourned. See you on Saturday November 5<sup>th</sup> in Waleska.

## The Mailbox

Dear NGSDC Members:

Thank you so much for the beautiful orchid potted plant. It sure made my day, as you can imagine being in the rehab facility for 30 days. I am still enjoying the orchid now that I am back home. Thanks so much for all the prayers, cards, and phone calls, and thanks to the ones who visited me. You folks are very special to me. I'm glad I can be a member of this fine group.

Most Sincerely,

**Dot Hunt**

P.S. Hope to see you folks soon at the meets.

**ATLANTA WALK TO DEFEAT ALS**  
**Saturday October 22, 2011**  
**International Plaza**  
**The Georgia World Congress Center**

**Registration 8:30 AM, Opening Ceremony 10:00 AM,**  
**Walk begins at 10:30 AM, Distance 2.5 miles, Relaxed pace**

*Covered Parking with Elevator Access to International Plaza*

*Very Handicap Accessible*

Every year, thousands of people across the state of Georgia bring their determination, energy and passion to the Walk to Defeat ALS. This wonderful event is an opportunity to bring hope to ALS patients, raise awareness for the disease, and support the research and the work of The ALS Association on a local and national level. This special event empowers patients, friends, families, and the business community to stand together against this insidious disease.

**Be sure to join all the ALS supporters this October!**

This will be our third walk, the first in memory of my husband Tom Elliott who won his battle with ALS on May 4, 2011. Tom always said ALS would not take his life, and he was right. Tom rests comfortably in the arms of Jesus now. I invite you to join us, either as a walker or by donating much needed funds to ALSA of Georgia. The walk will take place 10/22/11, registration starting at 8:30 a.m, walk begins at 10:30.

My husband participated in several clinical trials, from biomarkers study, drug trials, and stem cell transplant as the number 6 patient in the U.S. in the first phase of this cutting edge research. Upon his death, Tom made the ultimate gift of donating his brain and spinal cord to Emory's ALS Clinic to assure that this research would continue after he left us. Tom's wish was to help in every capacity he could to further research and find a cause and a cure so no other families or PALS (patients with ALS) would have to endure this grueling, devastating disease.

This is an exciting opportunity for us to work together to support those affected by Lou Gehrig's Disease and to spread awareness of the urgency to find treatments and a cure.

Please consider walking with me or sponsoring me. With your help, we will be able to make a difference in the lives of people affected by this disease. I encourage you get your friends, family, neighbors and co-workers involved! We had a great time last year. Come join the fun.

Thank you for reading this,

**Maureen Elliott**

# Call for Nominations – SDC Elections for 2012-2014 Term

by Carl Thomason, SDC Vice President

It is time again to elect your SDC representatives. We are fortunate to have so many members who are committed to the success of our organization. The **Director** and **Coordinator** in each Zone and the **Regional Managers** are in a good position to recognize the leaders in their area and to encourage them to run for an office. SDC members may also nominate themselves or a current SDC member who lives in the Zone or Region to be represented. Be sure to confirm that the nominee is willing to perform the responsibilities of the office. Please refer to the job descriptions below. There are no special qualifications. And, if you are an incumbent and wish to continue serving, please nominate yourself.

Terms of office are for two years. Referring to the map, National Directors and Zone Coordinators in the “non-shaded” Zones are elected for terms **beginning in even numbered years** and the National Directors and Zone Coordinators in the “shaded” Zones are elected for terms **beginning in odd numbered years**. The corresponding Regional Managers for those Zones are elected in opposite years.

This year, nominations will be for **National Directors and Zone Coordinators** in the following Zones: **Atlantic Zone; Southeast Zone; Upper Mississippi Valley Zone; North Central Zone, Pacific Southwest Zone** and the **International Zone** for two year terms of office beginning April 15, 2012.

Nominations for **Regional Managers** will be for the following Regions: **Crossroads Zone, Northeast Zone, Pacific Can-Am Zone** and **South Central Zone** for two year terms of office beginning April 15, 2012.

## Job Descriptions:

### National Director

The Director represents the Zone at the National Board Meeting, the annual Membership Meeting and any special meetings called by the SDC President. As a member of the SDC Board of Directors, he or she has the final authority to act in all matters concerning his or her Zone, subject to the SDC by-laws. The Director communicates with and maintains a good working relationship with the Zone Coordinator and Regional Manager(s). This is a two year term, beginning April 15, 2012.

### Zone Coordinator

This person is the liaison between the Regional Manager and the National Officers and reports directly to the SDC President. Quarterly, the Zone Coordinator receives a membership status report from the SDC Membership Secretary and distributes it to the Regional Manager and Chapter Presidents. In the absence of a National Director for the Zone, the Zone Coordinator shall fill the term of office vacated. If this occurs in the first year, a special election will be held to fill the vacancy for the second year. If the Zone Director is unable to attend the National Board Meeting, the Zone Coordinator will act as a proxy. The Zone Coordinator coordinates the scheduling of Zone Meets within his or her Zone and works with adjacent Zones

to avoid any conflict in dates. This is a two year term, beginning April 15, 2012.

### Regional Manager

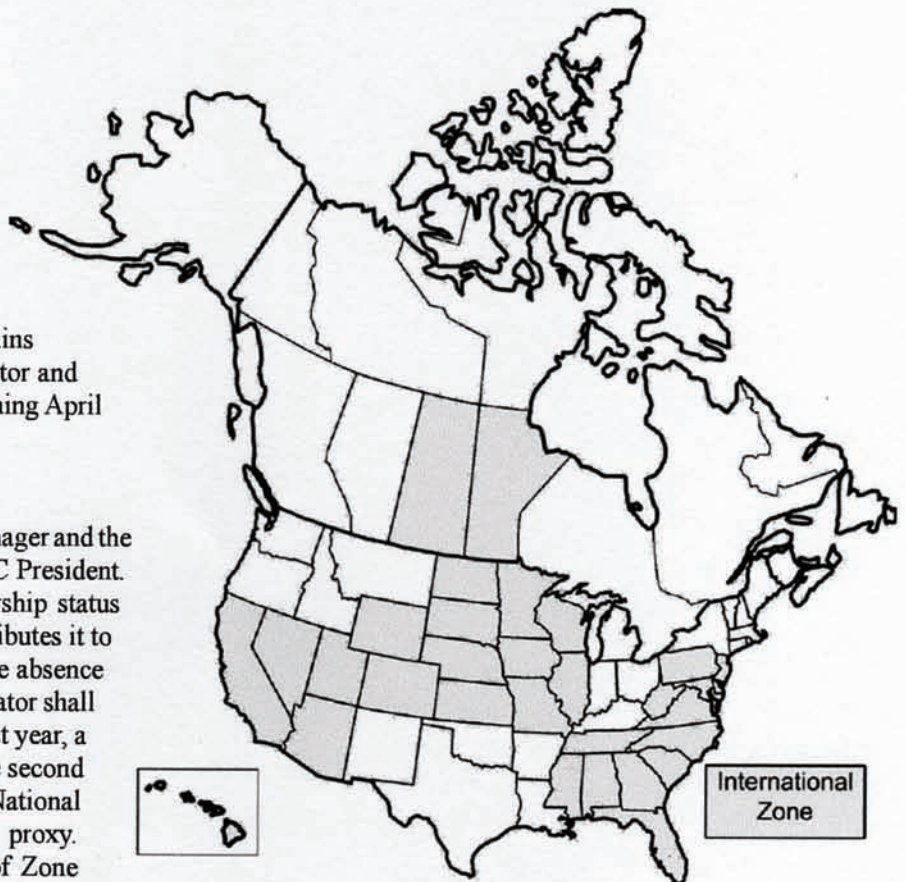

A Region may be a state, a part of a state or several states and the Regional Manager is the contact reference for club members in that Region. He or she receives a quarterly report of membership changes to assist in maintaining a current list of Chapters within the Region and supports the formation of new chapters. The Regional Manager encourages Chapters to hold regular meetings and publish a newsletter. He or she assists the Zone Coordinator in appointing committee members if needed, solving regional problems and other duties as requested. This is a two year term, beginning April 15, 2012.

Please send nominations

**NO LATER THAN November 20, 2011 to:**

**Carl Thomason,  
43306 Running Deer Drive,  
Coarsegold, CA 93614-9662  
Email: [thomason2@earthlink.net](mailto:thomason2@earthlink.net)**

Our Studebaker Drivers Club is an active and vital organization. I encourage you to show your support by running for an office. Thank you.

## **NORTH GEORGIA CHAPTER NOVEMBER MYSTERY MEETING**

Come join the fun at the November meeting of the North Georgia Chapter SDC on Saturday, November 5, 2011 at 1:00 PM. (Note this is a change in the normal meeting day and time for the Chapter.)

Since this is a mystery meeting, you will be following a set of directions to the meeting place. There may be a few surprises along the way. You may see parts of Georgia that you have never seen before and enjoy a unique restaurant, which is known for its Redneck Bread Pudding and great food.

The mystery meeting will start in Cline Park which is located in Waleska GA.

### **Directions to Waleska GA:**

From Atlanta there are two options:

Option 1 – Take I-75 North to exit 290. Head for Canton GA on GA Hwy 20. Before you get to Canton, look for Hwy 108. Turn left onto Hwy 108. This will take you into Waleska.

Option 2 – Take I-75 North to I-575. Stay on I-575 until you come to the exit for Hwy 140/Hwy 20. The exit splits for each highway. Stay to the left for Hwy 140. Follow Hwy 140 through Canton (You will pass Cherokee High School and go about 1.5 miles until you turn left at the stoplight) and head for Waleska. This will take you into Waleska.

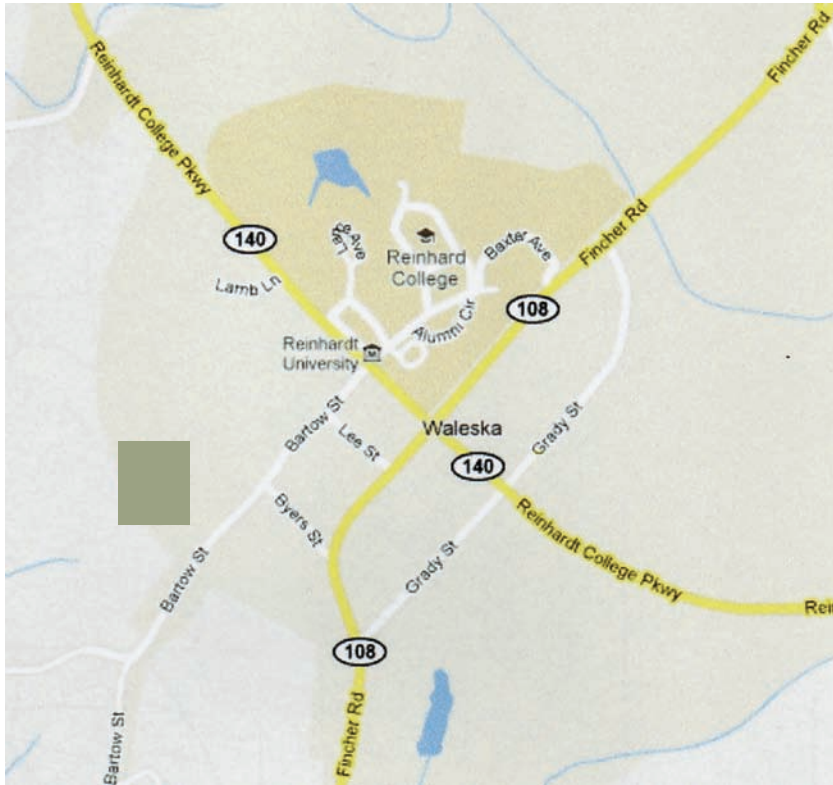

From the north:

Take I-75 South until you come to Hwy 140 (Exit 306). Go east on Hwy 140 (Head for Cracker Barrel and QT Gas Station) until you reach Waleska.

### **Directions to Cline Park in Waleska:**

From the intersection of Hwy 140 and Hwy 108, go west on Hwy 140 (towards Reinhardt University) for about one block until you come to Barstow St. (It is across from Reinhardt University campus.) Turn left on Barstow St. Go about .2 miles to Cline Park.

Hosts: Bill and Charlotte Delli. Cell: 770-547-4871 or 770-547-4897

*(New Listing)* **1964 GT Hawk.** V8 289 cid, 4 bbl carb., Power Shift A.T., P.S., Power Drum Brakes, AC. Astra White with Black Vinyl Interior. Have copy of original production order. Have dated receipts, totaling approximately \$3000.00, for previous, major, engine performance enhancements, as well as other repairs. Current odometer reading is 134,067 miles. Interior is original and in great condition. Exterior needs refinishing; currently, it maybe considered a "20-footer". Recently re-chromed front and rear bumpers as well as the grill surround. Tires appear to

be almost new. Priced BELOW NADA "LOW" Retail value. (NADA "AVERAGE" Retail value: \$12,600), as of 9/19/2011. Yes, it needs some TLC, but at this price, one could invest in a quality repaint and still be BELOW the average NADA amount invested in the car!! **PRICE \$9,500 FIRM.** See to appreciate. Don't pass up this opportunity to own one of Studebaker's very limited U.S. production cars: **1964 GT Hawk U.S. sales: 1,484.** For more detailed information, contact Dan Miller: 770-932-1615, or email: [alexmil@comcast.net](mailto:alexmil@comcast.net) (2/2012)

#### PARTS AND VEHICLE FLOCKS

*(New Listing)* **Avanti Body Lift For Sale** Custom fabrication - specific to Studebaker Avanti only. Bolts together for easy assembly and dismantling. Designed for overhead lifting - allows free working area under the body - an absolute "must" to replace hog troughs properly. Prevents any body flex or deflection while removed, so as to minimize any chance of body cracking. Light weight, yet super-strong.

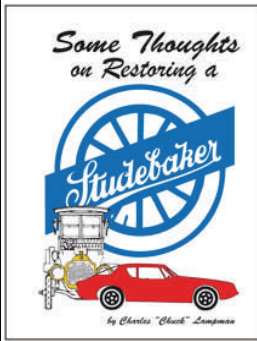

Requires a shop lift OR fork lift for the actual lifting; this is a custom made "jig" that facilitates the job. Custom design, fabrication, materials cost was \$1,400. You can buy this for \$850 cash and carry. Prefer local purchase; however I can ship it if necessary. Call Gary at 770.856.7931 from 8:00 AM - 8:00 PM eastern time. (1/2012)

**Studebaker Parts for sale.** Both new and used; I can offer these for less than the out-of-town dealers. I also stock ZDDPlus™ oil additive to replace the zinc that older engines need, but which has been eliminated from modern motor oils. Contact Dan Miller, 770.932.1615; email: [alexmil@comcast.net](mailto:alexmil@comcast.net). (1/2012)

**Free to a good home:** Home-built trailer hitch for Lark-type Studebakers. I travel for a living, so I am only home Noon until 6 PM on Monday, Thursday, and Saturday, and all day on Tuesday; please call only during these hours. Jim Fisher, 770.928.7841. (1/2012)

## STUDEBAKER MEDIA

This is a 99 page book based on the articles of the same name that appeared in *Turning Wheels* in the early 1990s and which won the SDC's Churchill Award for Best Article, Non-Paid. The book contains all the material from the original series, which ran for a year and a half in *The Hillholder*, and not only replaces some material edited out for the *TW* series, but has updates and several new items that were written after the *TW* series was published.

"Some Thoughts" is aimed at the first-time restorer, but will be of value to the more experienced; it doesn't try to be a "how to restore a car book", but gives you a look at the decision-making processes, tools, spaces and basic skills you'll need to do a restoration, and will provide a framework to help you structure your project.

There are several chapters of Studebaker-specific advice. In the chapter devoted to engine rebuilding, I've tried to describe a step-by-step process that anybody can follow, and I've tried to include tips I've picked up in building 60+ engines. I've received many compliments on the engine chapter, and I'm glad to finally be able to get it in print.

***Some Thoughts on Restoring a Studebaker*** is available for \$22.50 USD, plus \$4 for handling and postage, for a total of \$26.50 to US addresses. Canadian orders add \$6.50 USD for postage, total \$29.00 USD. To order a second book in the same order, add an additional \$3 (\$4 USD for Canadian orders). For Australia and Europe, shipping is \$12, total \$34.50 USD paid by PayPal only.

The easiest way to purchase (and the only way if you are in Australia or Europe) is to PayPal the appropriate amount to me at **chuck@lampman.com**, and mention Some Thoughts in the remarks section. Otherwise, if you live in the US or Canada, send your name, mailing address and a check or USPS money order for \$26.50 (\$29.00 USD bank draft for Canadian buyers) to:

Chuck Lampman  
4141 Lynette Ct.  
Kennesaw, GA. 30144-2293

If mailing payment, please email me to notify me that the check is coming so I can set one aside for you, or get some more printed. (I try not to keep too big an inventory because they are expensive to stock.) (1/2012)
